MZD8391 C35-J-4W Battery-Powered Photo String Lights

INTRODUCTION

The $16.99 MZD8391 C35-J-4W Battery-Powered Photo String Lights showcase your best memories. This updated version has 50 brighter, more adaptable LED clips than the 20 or 30-clip models, excellent for hanging photographs, cards, messages, or artwork. The 17.5-foot rope with clips every 4 inches lets you display several lightweight decorations. With a remote, you may choose from 8 lighting settings and lower brightness to 100%, 75%, 50%, 25%. The 6-hour timer switches lights on and off daily, making it simple for daily usage. These LED lights, powered by 3 AA batteries (not included), are excellent for bedrooms, living rooms, patios, and special events like weddings, birthdays, Valentine's Day, and Christmas. These chic, sleek, and simple lights provide a lovely, customized glow to any environment.

WHAT'S IN THE BOX

- 1 x 17.5 ft Photo String Light with 50 LED clips
- 1 x Remote Control for adjusting brightness and modes
- User Manual

FEATURES

- **50 LED Clips:** Includes 50 LED clips designed to hold photos, greeting cards, artwork, or notes for a personalized display.
- **Total Length:** Measures 17.5 ft in length with 4-inch spacing between each clip for even placement.
- **Battery Powered:** Runs on 3 AA batteries (not included) for cordless convenience and flexible setup.
- **Dimmable Brightness:** Features 4 brightness levels—100%, 75%, 50%, and 25%—for customized lighting.
- **Smart Timer Function:** Built-in 6 hours ON / 18 hours OFF timer enables automatic operation.
- **8 Lighting Modes:** Offers Combination, In Wave, Sequential, Slo Glo, Chasing/Flash, Slow Fade, Twinkle/Flash, and Steady On modes for versatile ambiance.
- **Remote Control:** Includes a convenient remote for easy adjustments of modes and brightness from a distance.
- **Warm White LED Glow:** Provides a cozy and inviting illumination perfect for any indoor setting.
- **Indoor/Outdoor Use:** Suitable for decorating windows, walls, ceilings, patios, or garden spaces.
- **Portable and Lightweight:** Easy to move and position anywhere, ideal for temporary or permanent displays.
- **Safe Low-Voltage Operation:** Designed for extended use around children, pets, and household areas.
- **Versatile Decoration:** Perfect for holidays, weddings, parties, and general home

décor.

- **Modern Design:** Clear wires and minimalist clips blend seamlessly with any décor style.
- **Brighter LED Clips:** Improved brightness compared to previous 20-clip or 30-clip models for better visibility.
- **Creative Display Option:** Ideal for showcasing personal memories, photos, or special mementos in a stylish and fun way.

SETUP GUIDE

- **Unpack:** Carefully remove the photo string lights from packaging.
- **Verify Clips:** Ensure all 50 LED clips are securely attached to the string.
- **Insert Batteries:** Place 3 AA batteries into the battery case (batteries not included).
- **Position Battery Case:** Store the battery case in a safe, discreet location out of sight.
- **Hang String:** Drape or hang lights across walls, windows, doors, ceilings, or furniture.
- **Attach Photos:** Clip photos, cards, or artwork onto the LED clips securely.

- **Even Spacing:** Make sure clips are evenly spaced for balanced illumination.
- **Power On:** Turn on the lights using the remote control.
- **Select Mode:** Choose your preferred lighting mode using the remote.
- **Adjust Brightness:** Use Dim+ or Dim- buttons to set the desired brightness level.
- **Activate Timer:** Enable the 6-hour timer for automatic ON/OFF operation.
- **Arrange Wires:** Keep wires neat and untangled for a clean, polished display.
- **Safe Placement:** Avoid hanging near open flames, heaters, or other heat sources.
- **Test LEDs:** Check all clips to ensure each LED is working properly.
- **Enjoy Display:** Relax and admire your cozy, warm-lit display showcasing photos and décor.

CARE & MAINTENANCE

- **Remove Batteries:** Take out batteries when lights are not in use to prevent leakage.
- **Avoid Mixing Batteries:** Do not combine old and new batteries or different battery

types.

- **Proper Storage:** Store lights in a cool, dry place to prevent damage.
- **Clean Clips and Wires:** Wipe gently with a soft, dry cloth to remove dust and dirt.
- **Handle Wires Carefully:** Avoid bending or stretching wires excessively to maintain durability.
- **Keep Battery Case Dry:** Do not submerge the battery case in water.
- **Check Clips:** Ensure all LED clips are securely attached before each use.
- **Inspect Wires:** Regularly examine for fraying or damage to maintain safe operation.
- **Avoid Sun Exposure:** Keep out of direct, harsh sunlight for prolonged periods.
- **Child and Pet Safety:** Keep away from small children or pets.
- **Prevent Damage:** Avoid placing heavy objects on the string lights.
- **Secure Hanging:** Use hooks, tape, or clips for stable installation.
- **Test Periodically:** Confirm all LEDs are functioning properly before use.
- **Enjoy Safely:** Use the lights responsibly to highlight memories and décor for years to come.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lights not turning on	Dead or incorrectly inserted batteries	Replace or reinsert batteries correctly
LED flickering	Loose battery connection	Secure battery contacts firmly
Lighting mode not changing	Remote malfunction or weak batteries	Replace remote batteries or reset string
Dim brightness	Low battery power	Replace batteries
Timer not working	Timer function not activated	Press timer button to enable 6-hour cycle
Some clips not lighting	Broken LED or wire	Inspect string and replace damaged section

Problem	Possible Cause	Solution
Remote not responding	Out of range	Move closer and aim at string
Lights too dim	Incorrect dim level selected	Adjust using Dim+ or Dim- on remote
String tangled	Improper storage	Coil string neatly before storage
Clips falling off	Weak attachment	Secure clips firmly onto photos or décor
Flickering in sunlight	Bright ambient light	Use indoors or in dimmer areas
Battery case leaking	Improper battery insertion	Check and insert batteries correctly
Overheating	Continuous long-term use	Turn off lights periodically
Uneven lighting	LEDs spaced incorrectly	Adjust clips evenly along string
Lights not turning off	Timer malfunction	Turn off manually using remote

PROS & CONS

Pros:

- 50 LED clips allow for extensive photo or artwork display.
- 8 lighting modes and 4 dimmable levels for versatile ambiance.
- Battery-powered and portable for flexible placement.
- Warm white LEDs create a cozy, romantic atmosphere.
- Smart timer simplifies daily operation.

Cons:

- Batteries not included.
- Limited to 17.5 ft string length.

- Remote may require line-of-sight operation.
- Clips can be delicate; avoid rough handling.
- Not ideal for very heavy decorations.

WARRANTY

The **MZD8391 C35-J-4W Photo String Lights** come with a standard manufacturer warranty covering defects in materials and workmanship. If the product fails under normal use, MZD8391 offers repair or replacement. Proper battery use, storage, and care ensure longevity and maintain warranty eligibility. Keep your purchase receipt for any warranty claims.

FREQUENTLY ASKED QUESTIONS
