n-com B602 Single Motorcycle Intercom User Guide

n-com B602 Single Motorcycle Intercom

Contents

INTRODUCTION

This QUICK GUIDE does not replace the product user manual. Instructions on installing in the helmet, complete operating instructions, video tutorials and all specifications are available on the website **www.n-com.itatsectionSupport**.
Read all the user instructions carefully before using the product.
The Bluetooth® word mark and logos are registered trademarks owned by the Bluetooth SIG, Inc. and any use of such marks by N-Com is under license. Other trademarks and trade names are those of their respective owners.

N-COM EASYSET

Update and customize your N-Com system with N-Com EASYSET.
Install on PC or Mac (see **www.n-com.it,inthesupportsection**). App for Android and iOS smartphones can be downloaded free on Google Play/Apple Store.
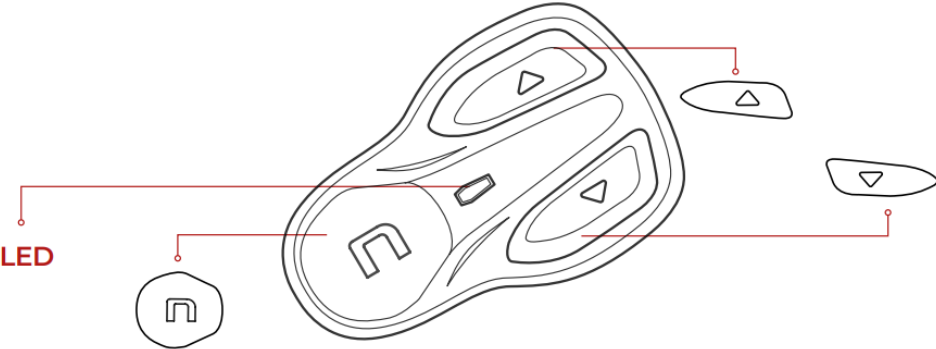

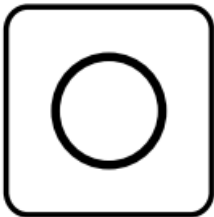

VOICE PROMPTS

The N-Com system comes with voice prompts that provide information about the system and its functions. The default language is English. To change the language, use the System Configuration Menu (refer to the complete user manual), the N-Com EASYSET app for smartphones, or the N-Com EASYSET program on your PC/MAC.
