B902 Bluetooth Communication System Single Set

Quick guide B902

This QUICK GUIDE does not replace the product user manual. Instructions on installing in the helmet, complete operating instructions, video tutorials and all specifications are available on the website www.n-com.it at section Support. Read all the user instructions carefully before using the product.

The Bluetooth® word mark and logos are registered trademarks owned by the Bluetooth SIG, Inc. and any use of such marks by N-Com is under license. Other trademarks and trade names are those of their respective owners.

N-COM EASYSET

Update and customize your N-Com system with N-Com EASYSET. Install on PC or Mac (see www.n-com.it, in the support section). App for Android and iOS smartphones can be downloaded free on Google Play/Apple Store.

VOICE PROMPTS

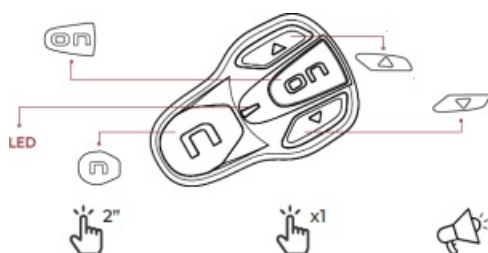

The default language for voice announcements is English. To change the language, you will need to install the relevant firmware version using the N-Com EASYSET program for PC/Mac.
