Specifications

- **Model No:** NEFL65LCD-3SV
- **Brand:** Luminex
- **Width:** 65 1/16"
- **Height:** 25 3/8"
- **Depth:** 12"

Product Information

Features

- Customizable flame patterns and colors
- Smart home compatible for voice control
- Built-in speakers for realistic sound effects
- Advanced LCD technology for lifelike flames
- Remote control options available

Innovations

- Unmatched realism with multiple flame patterns
- Built-in speakers to mimic real fire sounds
- Smart technology for remote control via phone app

Controls

- Smart home compatible with Google Home and Alexa devices
- Optional wall mount remote for commercial settings

- Premium remote with digital display for advanced control

Product Usage Instructions

- **Customizing Flames:** To customize the flame patterns and colors, use the included media or optional media kits such as beach fire logs, woodland kits, birch logs, mineral rocks, black crystals, glass beads, and wood.
- **Controlling the Fireplace:** You can control the fireplace settings through voice commands using Google Home and Alexa devices. Additionally, you can use the optional wall mount remote or the premium remote with a digital display for more advanced control.
- **Creating Realistic Ambiance:** Enjoy the ultra-realistic flames created by the advanced LCD technology. The built-in speakers mimic the crackling and popping sounds of a real fire, enhancing the immersive experience.
- **Smart Technology Integration:** Connect the fireplace to your phone using the Napoleon Home app to conveniently control every feature from anywhere, even when you are not at home.

FAQS

Q: Can I use this fireplace without a venting system?

A: Yes, the fireplace does not require venting as it operates without gas lines, providing a hassle-free experience.

Q: How do I change the flame colors?

A: You can change the flame colors using the controls on the remote or through voice commands if you have a smart home setup.

Q: What media kits are included with the fireplace?

A: The included media kits are beach fire logs and woodland kits. You can also purchase optional media kits for more customization options.
