NATHAN®

NATHAN 200R Polaris Runner's Hand Torch

Product Information

The PolarisTM 200R is a versatile and compact flashlight that offers multiple modes for various lighting needs. It features a durable design with IPX 4 weather resistance, making it suitable for outdoor use. The flashlight is not suitable for submerging and should not be used by children aged 5 years and younger. Additionally, caution should be taken to avoid shining the light directly into eyes.

Product Usage Instructions

1. **Click:** Press the button once to cycle through the different modes – Low, Medium, High, and Sprint.
2. **Double-Click:** Quickly press the button twice to activate the strobe mode.
3. **Click:** Press the button again to return to the Low mode

To maintain the flashlight's performance and longevity, follow the cleaning instructions below:

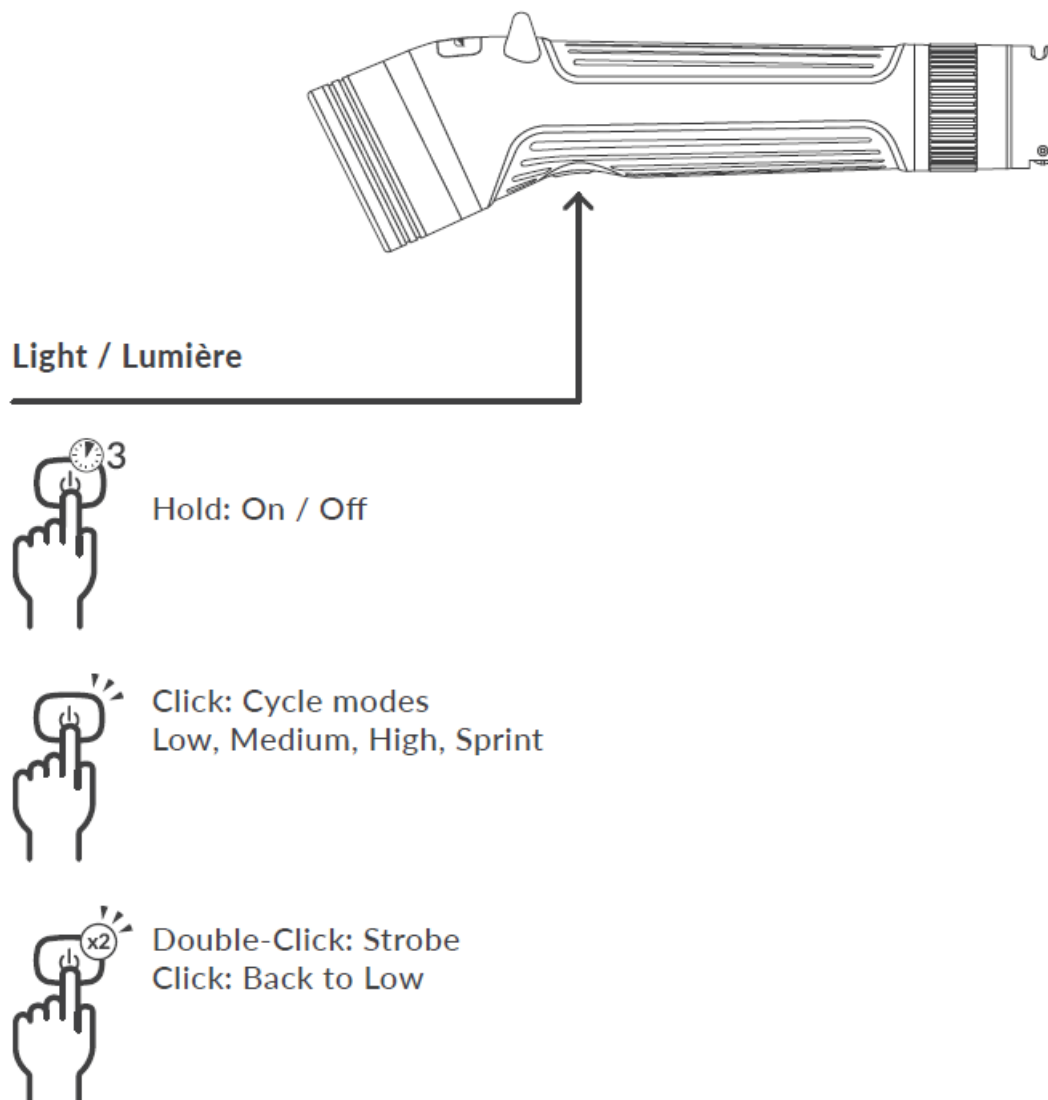

- Clean the flashlight with a damp cloth.
- Allow it to air dry.
- Avoid leaving the flashlight in direct sunlight for extended periods of time.

Note: The flashlight requires battery replacement when needed. Refer to the following steps for battery replacement:

1. Ensure the flashlight is turned off.
2. Remove the battery compartment cover.
3. Replace the old battery with a new one, ensuring correct polarity.
4. Securely close the battery compartment cover.

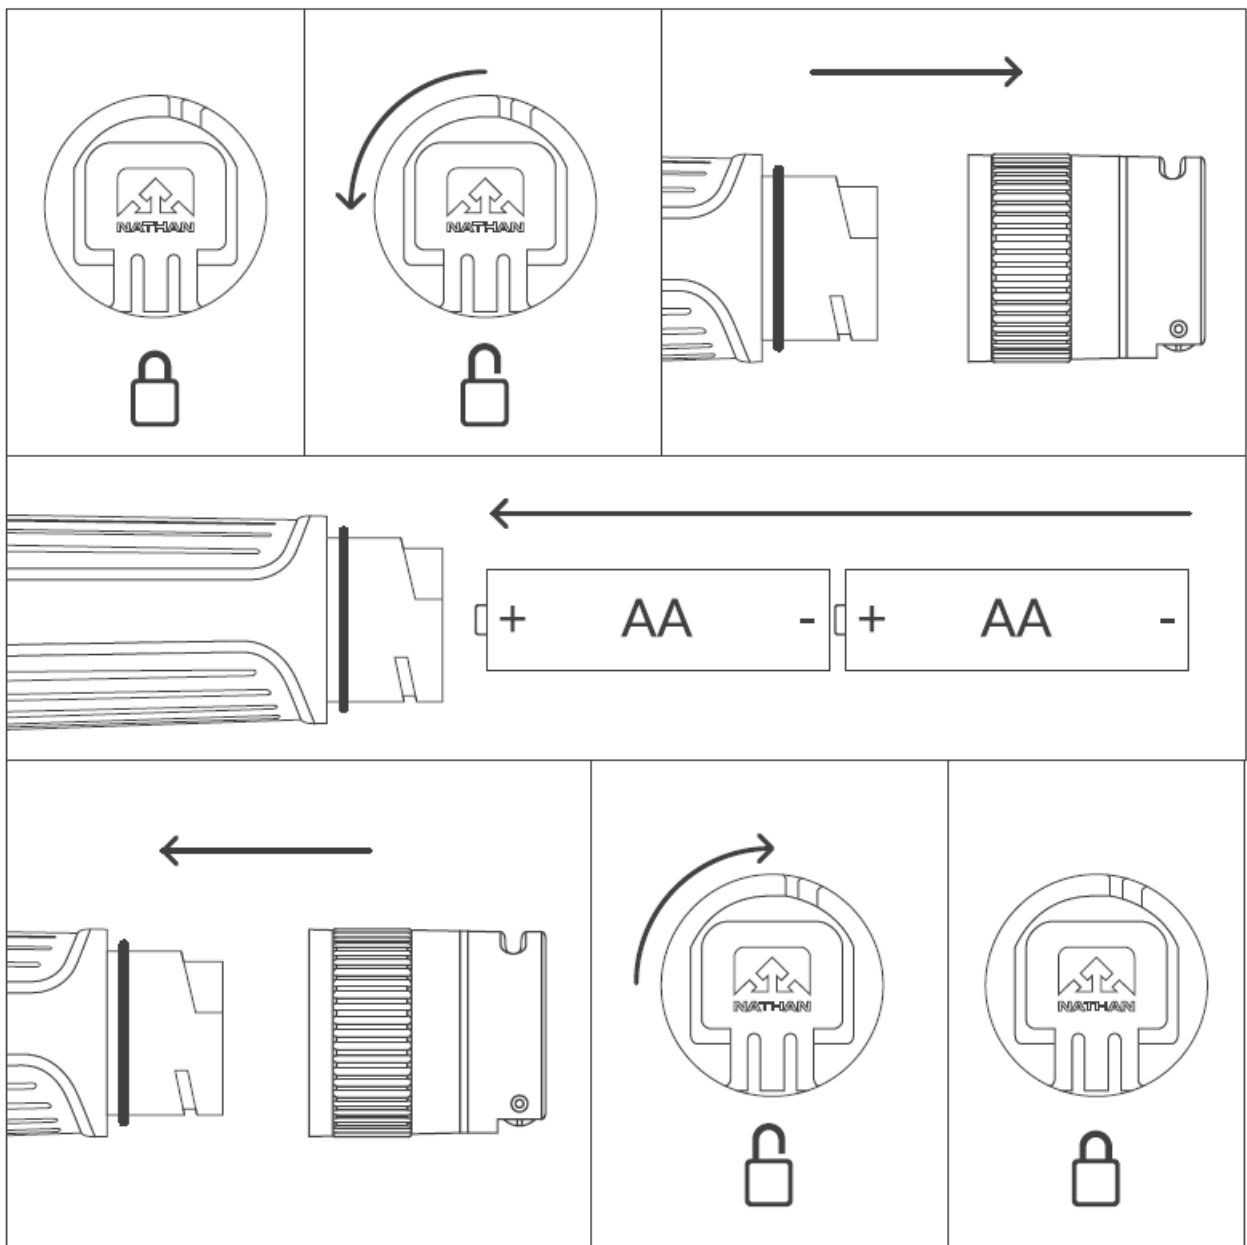

For any further assistance or inquiries, please refer to the complete user manual or contact our customer support.

USAGE INSTRUCTIONS

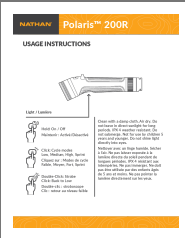

Clean with a damp cloth. Air dry. Do not leave in direct sunlight for long periods. IPX 4 weather resistant. Do not submerge. Not for use by children 5 years and younger. Do not shine light directly into eyes.
