Navitas TSX Dashboard App

Product Information

Specifications

- **Product:** Navitas Dashboard App

- **Manufacturer:** Navitas Vehicle Systems
- **Application:** Vehicle Ownership Release

Product Usage Instructions

1. Open the Navitas Dashboard App on your device.
2. On the Communications page in the app, tap Demo at the bottom of the screen.
3. Select a demo controller on the popup screen. Both the TSX and the TAC Demo will allow you to access your account page regardless of the type of controller your account is secured to.
4. Open the menu in the top-left corner of the dashboard app and select Login.
5. Enter your username and password and press Login.
6. After logging in, open the top left-hand menu and select My Account.
7. Under the Your Vehicles section, press the trash can on the vehicle you are releasing ownership of.
8. Select YES confirming that you do want to remove your account from the controller.
9. The app will confirm that the vehicle is released and available for a new account to verify to it. Select OK.
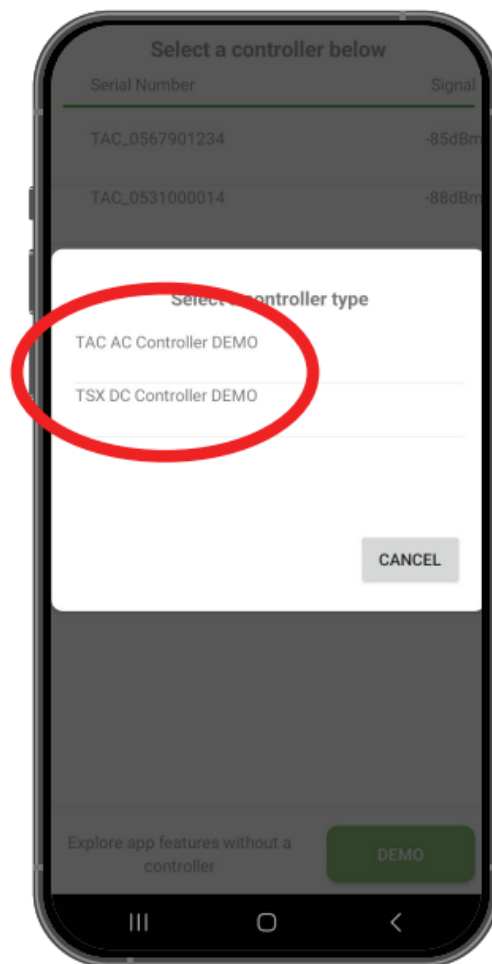

INSTALLATION
