## 2AUS4-NFL1 Neat Center Companion Device User Manual

### Neat Center

#### Accessory for video conferencing device

Neat Center is a companion device that frames people in the meeting room face-on, ensuring remote participants remain at the center of the conversation by clearly seeing and hearing everyone for complete meeting equity. It's simple to set up, can be positioned anywhere for optimal viewing and audio, and extends the power of your Neat devices and Symmetry for a closer-than-ever hybrid experience.

#### Broader vision

Neat Center broaden remote attendees' view, giving them a 360° visual meeting experience when those in the room are talking among themselves and facing away from the primary video device.

#### Clearer sound

It allows remote attendees to hear the conversation more clearly with an omnidirectional 16x mic array for optimal audio pickup throughout the room.

## **Neat Center**

### **Accessory for video conferencing device**

Neat Center is a companion device that frames people in the meeting room face-on, ensuring remote participants remain at the center of the conversation by clearly seeing and hearing everyone for complete meeting equity. It's simple to set up, can be positioned anywhere for optimal viewing and audio, and extends the power of your Neat devices and Symmetry for a closer-than-ever hybrid experience.

### **Broader vision**

Neat Center broaden remote attendees' view, giving them a 360° visual meeting experience when those in the room are talking among themselves and facing away from the primary video device.

### **Clearer sound**

It allows remote attendees to hear the conversation more clearly with an omnidirectional 16x mic array for optimal audio pickup throughout the room.

## Mounting options

Screws for mounting to the table or ceiling are not included. A minimum of two screws of diameter 6 mm must be used for a secure ceiling mount. The screws must be of the appropriate type for the material of the mounting surface. Mounting in the ceiling should only be performed by qualified personnel in line with applicable facility and state regulations.
