neat Board Pro NF-K1 Video Conferencing Device

Specifications

- Product: Neat Board Pro NF-K
- Type: Video conferencing device
- Features: Touch screen, active marker, camera, speakers, microphone, environmental sensors
- Setup: Standalone or companion device with other Neat systems

Product Usage Instructions

- If you opt for the adaptive stand, follow the provided instructions and use the included screws and wheels for assembly.
- Mounting on a wall should only be done by qualified personnel and in accordance with facility and state regulations.
- Connect the provided cables according to the illustration.
- Ensure you have an internet connection and access to a video service for a complete setup.

FAQ

- **Q: What batteries should I use for the Neat Active Marker?**
 - **A:** Only use consumer-grade, non-rechargeable carbon-zinc or alkaline AAA batteries to avoid the risk of fire or explosion.
- **Q: Can I use the Neat Board Pro adaptive stand with other devices?**

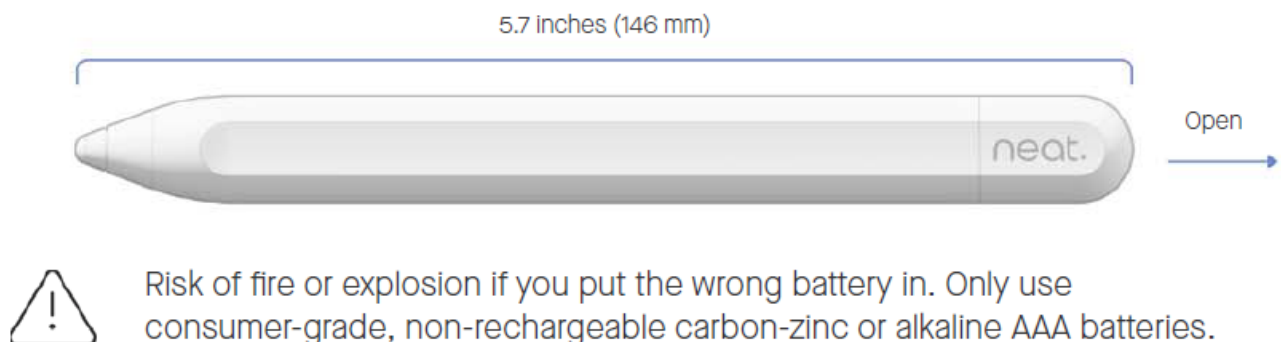

- **A:** No, only use the adaptive stand with a Neat NF-K1 video conferencing device to prevent instability and potential injury.

Introduction

- Neat Board Pro transforms your meeting space experience by packing powerful technology and pioneering capabilities into an elegant all-in-one design.
- It's perfect for bringing superior-quality audio, video, and collaborative tools to your huddle, focus, and meeting spaces.
- Fully managed through Neat Pulse, Neat Board Pro comprises a touch screen, active marker, camera, speakers, microphone, and environmental sensors in one compact design.
- Neat Board Pro works standalone or as a companion device with other primary Neat systems. You can also combine it with Neat Pad controllers and scheduling displays.

Neat Active Marker

- Neat Board Pro includes a pressure-sensitive active marker that enables a natural handwriting experience.
- It has a tail-end eraser and magnetically attaches to the bottom of Neat Board Pro.
- A long-lasting replaceable AAA battery powers a Neat Active Marker.

Simple setup

- Neat Board Pro includes everything you need to get started, a Neat Active Marker, cables, and a table stand.

In the box:

- Neat Board Pro with table stand
- Ethernet cable: 16.4 feet (5 meters)
- Power cord: 9.9 feet (3 meters)
- Neat Active Marker

Adaptive stand (optional)

Adaptive mount or wall mount (optional)

Table stand (optional)
