NFE1 Neat Bar Gen 2 and Neat Pad

Product Information

Neat Bar & Neat Pad Generation 2 Neat Bar is a compact and highly capable meeting room device. It's perfect for bringing superior-quality audio and video to your huddle, focus, and meeting spaces for up to ten people. Neat Bar includes a camera system, speakers, microphones, and environmental sensors in one compact design and comes with a dedicated Neat Pad controller. Neat Bar also has a USB-C port for optional single cable connection to your PC.

Neat Pad works as a Controller for Neat Bar and can also be configured as a Scheduling Display for the Meeting Room.

Neat Bar Specifications:

- Width: 25.59 in (650 mm)
- Height: 2.76 in (70 mm)
- Depth: 2.76 in (70 mm)
- Weight: 3.44 pounds (1.56 kg)

Neat Pad Specifications:

- Width: 7.8 in (198 mm)
- Height: 1.7 in (42 mm)
- Depth: 5 in (127 mm)
- Weight: 1.15 pounds (520 g)

Product Usage Instructions

Neat Bar Setup

1. Mounting:

- Slide the selected bracket onto the mount adapter and secure with the hex wrench.
- Mounting on a wall should only be performed by qualified personnel in line with applicable facility and state regulations. The wall and the mounting equipment must safely withstand the load of the product.

2. Connectivity:

- Use the provided cables to set up Neat Bar. Connect the cables according to the illustration. Cables marked are included. Cables marked are optional and not required for basic use of the system.

Neat Pad Setup

1. Mounting:

- Hook the mount adapter onto the wall mount and secure with the hex wrench.
- Mounting on a wall should only be performed by qualified personnel in line with applicable facility and state regulations.

The wall and the mounting equipment must safely withstand the load of the product. Glass mount must be mounted less than 6.56 ft (2 m) above floor.

Mounting & Releasing Neat Bar

1. Mounting:

- Slide Neat Bar onto the selected mounting option. When fully inserted, tilt Neat Bar back to horizontal and check if it is secure by carefully pulling it towards you.

2. Releasing:

- Tilt Neat Bar fully forward. Pull towards you until the unit stops and the red release lever appears. Push the release lever up and pull Neat Bar gently off the mount adapter.

NFE1 Neat Bar Gen 2 and Neat Pad

Neat Bar is a compact and highly capable meeting room device.

It's perfect for bringing superior-quality audio and video to your huddle, focus, and meeting spaces for up to ten people.

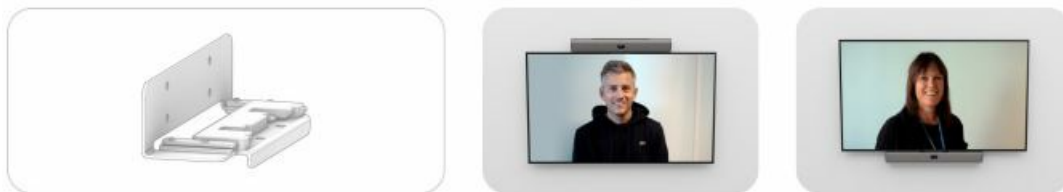

Neat Bar includes a camera system, speakers, microphones and environmental sensors in one compact design and comes with a dedicated Neat Pad controller.
