neberon AC/DC Adapter

Important Safety Instructions

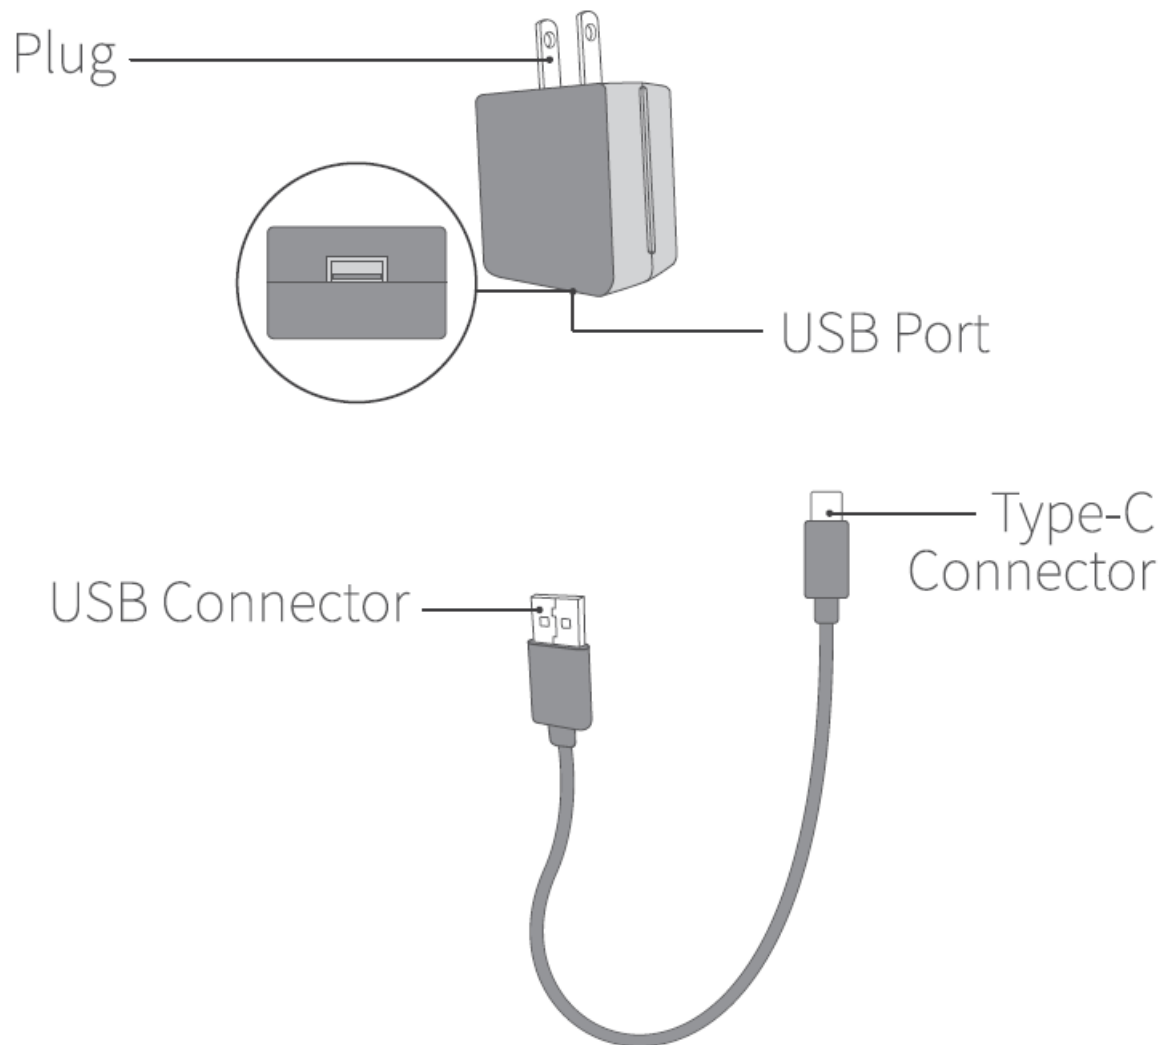

Please read all the instructions before using the product

1. This adapter is not intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge unless they have been given supervision or instruction concerning the use of the product by a person responsible for their safety.
2. This adapter is designed for indoor and dry locations use only.
3. Only use outlets with the correct voltages. Using incorrect voltage can lead to injury.
4. Do not expose the adapter and cable to any liquid. Do not touch the adapter, cable, or outlet with wet hands.
5. Do not charge your battery with the adapter under the following conditions: in temperatures below 41 ° F(S0C), in direct sunlight, or in humid or dusty areas.
6. The maximum ambient temperature during the use of the adapter must not exceed 104° F (40°C).
7. Do not operate the adapter with a damaged enclosure or plug. Do not use a damaged charging cable to charge any device through the adapter.
8. Always unplug the adapter when it is not in use.
9. Always remove the adapter from the socket before maintenance and cleaning. Please clean the charger with a dry or soft cloth.
10. Do not store the adapter in a hot or humid environment.

What's Included

Adapter x1
Charging Cable x1

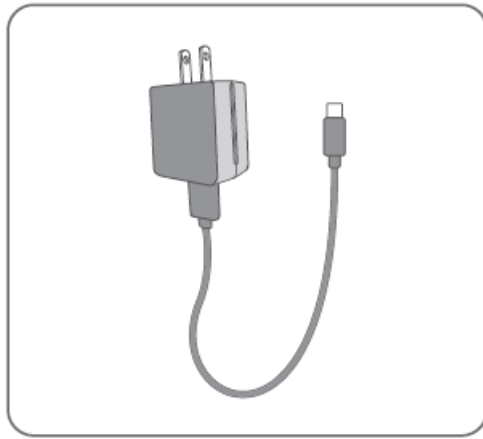

Product Overview

How to Use

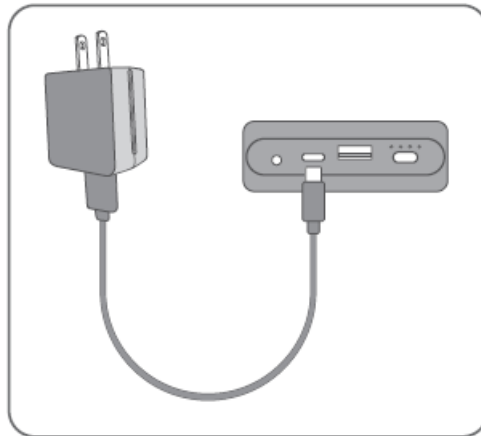

Step 1:

Plug the USB Connector of the charging cable into the adapter.
