Nedis SmartLife WIFIZBT10WT Door Window Sensor

Specifications

• Product Name: Zigbee & Bluetooth Gateway

• Model: WIFIZBT10WT

Connectivity: Zigbee, Bluetooth
 Online Manual: ned.is/wifizbt10wt

Product Information

 The Zigbee & Bluetooth Gateway is a versatile device that allows for seamless communication between Zigbee and Bluetooth-enabled devices. It serves as a bridge to connect and control smart devices in your home or office environment.

For more information see the extended manual online: ned.is/wifizbt10wt

About this document

- This document is the user manual and contains all the information for the correct, efficient, and safe use of the product.
- Ensure you have fully read and understood the instructions in this document before you install or use the product. Keep the packaging and this document for future reference.

Symbols used

• The signal word is used to indicate a potentially hazardous situation that, if not avoided, could result in death or

serious injury.

∆CAUTION!

 The signal word is used to indicate a potentially hazardous situation that, if not avoided, could result in minor or moderate injury.

NOTICE

The signal word is used to address practices not related to physical injury.

Intended use

- This product is intended to connect multiple products to the Nedis SmartLife app via a wireless Zigbee or Bluetooth® connection. This product is intended to be used with the Nedis SmartLife app. This product is intended for indoor use only.
- The product is not intended for professional use.
- Only use the product as described in this user manual.
- Any modification of the product may have consequences for safety, warranty and proper functioning.

Safety instructions

• Ensure you have fully read and understood the instructions in this document before you install or use the product. Keep the packaging and this document for future reference.

WARNING!

Electrical hazard:

- Do not open the product. The product may only be opened by an authorized technician for maintenance.
- Do not immerse the product in water or other liquids.
- Do not expose the product to water, rain, moisture, or high humidity.
- Disconnect the product from the power source before cleaning. Fire hazard:
- Do not use the product if a part is damaged or defective. Always replace a damaged or defective product immediately.
- Do not use any accessories that are not included.

Choking hazard:

 Do not let children play with the packaging material. Always keep the packaging material out of the reach of children.

Chemical burns hazard:

• Do not subject cells or batteries to mechanical shock.

CAUTION!

Tripping hazard:

• Always keep the power cable and the product away from the usual walkways.

Health hazard:

- Some wireless products may interfere with implantable medical devices and other medical equipment, such as
 pacemakers, cochlear implants and hearing aids. Consult the manufacturer of your medical equipment for more
 information.
- Do not use the product at locations where the use of wireless devices is prohibited due to potential interference with other electronic devices, which may cause safety hazards.

NOTICE

- Risk of damaging the product:
- Only use the product as described in this document.
- Do not drop the product and avoid bumping.
- Only use the provided USB charging cable.
- Do not use aggressive chemical cleaning agents when cleaning the product.

Disposal

- The product is designated for separate collection at an appropriate collection point. Do not dispose of the product with household waste.
- For more information, contact the retailer or the local authority responsible for the waste management.

Declaration of Conformity

- We, Nedis B.V. declare as manufacturer that the product WIFIZBT10WT from our brand Nedis®, produced in China, has been tested according to all relevant CE standards and regulations and that all tests have been passed successfully. This includes, but is not limited to the RED 2014/53/EU regulation.
- The complete Declaration of Conformity (and the safety data sheet if applicable) can be found and downloaded
