Intended use

The Nedis SPBT4100BG | SPBT4100BK | SPBT4100GY | SPBT4100RD is a Bluetooth speaker that plays audio from your media device. The product is exclusively intended for playing music from a Bluetooth device and for answering and making hands-free phone calls. This product is not a toy, it is intended as a speaker. The product is not intended for professional use. Any modification of the product may have consequences for safety, warranty, and proper functioning.

Contents

Specifications

Product	Bluetooth® Speaker
Article number	SPBT4100BG | SPBT4100BK | SPBT4100GY | SPBT4100RD
Power input	5 VDC ; 0.5 A
Bluetooth® version	5.0
Bluetooth® frequency range	2402 - 2480 MHz
Bluetooth® signal range	Up to 10 m
Frequency response	100 Hz - 20 KHz
Max. radio transmit power	4.92 dBm
Max. antenna gain	-0.58 dBi
Peak power	9 W
Power (RMS)	3 W
Impedance	4 Ω
Sensitivity	81 dB
Driver size	40 mm
Battery type	Lithium-ion (602040)
Charging time	Up to 1.5 hours
Battery capacity	400 mAh
Play time	Up to 3 hours
Built-in microphone	Yes

Main parts (image A)

1. Power button
2. Microphone
3. Micro USB cable
4. Micro USB port
5. Status indicator LED

Safety instructions
⚠️ **WARNING**

- Ensure you have fully read and understood the instructions in this document before you install or use the product. Keep this document for future reference.
- Only use the product as described in this document.
- Do not use the product if a part is damaged or defective. Replace a damaged or defective product immediately.
- This product can be used by children aged from 6 years and above and persons with reduced physical,

sensory or mental capabilities or lack of experience and knowledge if they have been given supervision or instruction concerning the use of the product in a safe way and understand the hazards involved. Children shall not play with the product. Cleaning and user maintenance shall not be done by children without supervision.

- Not to be used by very young children (0-3 years).
- Usage by children should be supervised at all times.
- Do not drop the product and avoid bumping.
- This product may only be serviced by a qualified technician for maintenance to reduce the risk of electric shock.
- Disconnect the product from the power source and other equipment if problems occur.
- Do not expose the product to water or moisture.
- Do not use the product where splashing of water might occur e.g. bathrooms, swimming pools, or close to washbowls.
- This product is equipped with a non-removable internal battery. Do not attempt to replace the battery yourself.
- Provide enough ventilation during charging.
- Do not expose the product to direct sunlight, naked flames, or heat.
- Do not open the product.
- Do not use the product at locations where the use of wireless devices is prohibited due to potential interference with other electronic devices, which may cause safety hazards.
- Listening at a high volume for a long time will damage your hearing.

Charging the product

1. Plug the micro USB cable **A(**3**)** into the micro USB port A4.
2. Plug the other end of **A(**3**)** into a USB adapter.
3. The status indicator LED **A(**5**)** lights up red.

   A(5**)** turns off when the product is fully charged.

Pair with Bluetooth

1. Press and hold the power button **A(**1**)** for 2 seconds to switch on the product.
2. **A(**5**)** blinks and the product emits a tone to indicate pairing mode is active.
3. Enable Bluetooth on the device you want to pair the speakers with.
4. Select "SPBT4100" from the list of available Bluetooth devices on your device.

True Wireless Stereo (TWS)

TWS only works with two speakers of the same type.

1. Disable Bluetooth on the device you want to pair the speakers with.
2. Switch on both speakers.
3. Double press **A(**1**)** on one of the speakers.
4. After a few seconds, **A(**5**)** blinks and the product emits a tone to indicate pairing mode is active.
5. A5 of the other speaker lights up.
6. Enable Bluetooth on the device you want to pair the speakers with.

7. Select "SPBT4100" from the list of available Bluetooth devices on your device.
8. Double press **A(**1**)** of one of the speakers, to switch off the TWS function.

Controlling the music

- Press **A(**1**)** to play or pause the music.

Making phone calls

- To answer an incoming call, press A1.
- To end a call, press A1.

Declaration of Conformity

We, Nedis B.V. declare as a manufacturer that the product SPBT4100BG | SPBT4100BK | SPBT4100GY | SPBT4100RD from our brand Nedis®, produced in China, has been tested according to all relevant CE standards and regulations and that all tests have been passed successfully. This includes, but is not limited to the RED 2014/53/EU regulation.
