nedis ZBWS20RD Zigbee 2 Channel Smart Switch Module

Product Specifications

- **Product Name:** Zigbee 2 Channel Smart Switch Module
- **Model:** ZBWS20RD
- **Intended Use**: Smart switch for wireless control of appliances and lights
- **Compatibility:** Requires Nedis Zigbee Gateway WIFIZBxxx and Nedis SmartLife app
- **Usage:** Indoor use only

Product Usage Instructions

Safety Instructions

- Ensure you have fully read and understood the instructions in the user manual before installing or using the product. Keep the packaging and manual for future reference.
- Avoid exposure to moisture or high humidity to prevent damage.

Installation

1. Ensure the Nedis Zigbee Gateway is set up and connected to your network.
2. Follow the wiring diagram provided in the user manual to connect the smart switch module.
3. Pair the smart switch module with the gateway according to the instructions in the manual.

Operation

- Use the Nedis SmartLife app to control the smart switch module wirelessly.
- Follow the app instructions to set schedules, timers, and automation for your appliances and lights.

Maintenance

- Avoid using aggressive chemical cleaners on the product. Use a dry or damp cloth for cleaning.
- Regularly check for software updates for improved performance and security.

Disposal
Dispose of the product at an appropriate collection point. Do not dispose of it with household waste.

Frequently Asked Questions (FAQ)

- **Can I use this smart switch module outdoors?**

  No, this product is intended for indoor use only.
- **Do I need any additional devices to use this smart switch module?**

  Yes, you need the Nedis Zigbee Gateway WIFIZBxxx and the Nedis SmartLife app for wireless control.
- **How do I reset the smart switch module?**

  Refer to the user manual for specific instructions on resetting the device.
