#### **Note:**

Model availability varies by region. For more information, see the NETGEAR website.

#### **Note:**

The 300 and 600 series can be wall-mounted.

#### **Note:**

Product appearance varies by model.

## Connect the equipment

## Connect to power and power on

**Note:** Power adapter varies by region.

If your product has an Off/On switch, move the Off/On switch to the on position to provide power to the device.

## Support

- Thank you for purchasing this NETGEAR product.
- After installing your device, locate the serial number on the label of your product and use it to register your product at <https://my.netgear.com>.
- You must register your product before you can use NETGEAR telephone support. NETGEAR recommends registering your product through the
- NETGEAR website. For product updates and web support, visit <http://support.netgear.com>. NETGEAR recommends that you use only the official NETGEAR support resources.
- You can get this installation guide in multiple languages at <http://downloadcenter.netgear.com>. For product specifications, see the product page or download the data sheet at <http://support.netgear.com>.

- For the current EU Declaration of Conformity, visit [http://support.netgear.com/app/answers/detail/a\\_id/11621/](http://support.netgear.com/app/answers/detail/a_id/11621/).
- For regulatory compliance information, visit <http://www.netgear.com/about/regulatory/>.
- See the regulatory compliance document before connecting the power supply.

**WARNING:**

For safety reasons, you must use only the power adapter that is sold with your product. If you are not sure what power adapter to use, contact NETGEAR technical support.
