**NEWlink NLKVM DP-22DBL 2 Port Dual Screen DisplayPort KVM Switch**

## Product Specifications

- **Product Type:** KVM Switch
- **Model:** NLKVMMDP-22DBL
- **Ports:** 2 Port Dual Screen DisplayPort
- **Resolution:** Supports DisplayPort 4k@60Hz and 4:4:4 chroma subsampling
- **Connectivity:** USB and DisplayPort connections
- **Features:** Wired remote for easy switching, metal housing for durability

## Product Usage Instructions

### Setup

1. Unbox the KVM switch and ensure all components are included.
2. Connect the DisplayPort and USB cables to your computers.
3. Connect your monitors to the KVM switch using DisplayPort cables.
4. Plug in the power adapter to the KVM switch and a power source.

### Switching Between Computers

To switch between connected computers:

1. Press the button on the wired remote to toggle between the two computers.
2. Alternatively, you can use keyboard hotkeys for switching if supported by the KVM switch.

### Maintenance

To ensure optimal performance:

- Keep the KVM switch in a well-ventilated area to prevent overheating.
- Regularly check cable connections for any signs of damage.
- Clean the metal housing with a soft, dry cloth to remove dust and debris.

## Frequently Asked Questions (FAQ)

- **Can I use this KVM switch with computers that have different operating systems?**

Yes, the KVM switch is compatible with computers running different operating systems as long as they have DisplayPort and USB connectivity.

- **What is the maximum resolution supported by this KVM switch?**

The KVM switch supports DisplayPort 4k resolution at 60Hz refresh rate with 4:4:4 chroma subsampling for high-quality content viewing.

## INTRODUCTION

- The 2 Port DisplayPort KVM allows you to switch between two computers using USB and DisplayPort connections. Supporting DisplayPort 4k@60Hz and 4:4:4 chroma subsampling, you can enjoy high quality 4k content. Comes complete with cables making
- it very easy to set up. Wired remote enables easy switching between two computers. Metal housing makes it very robust.

## Features

- 2 Port DisplayPort KVM
- Max Resolution 4k@60Hz
- Supports hot key commands
- Hot Plug n Play
- Supports Audio/MIC
- Metal Housing

## Package Contents

- DisplayPort KVM
- 1.5m DisplayPort cables
- 1.5m USB + 3.5mm stereo and MIC cables
- Wired remote
- 1.8m USB cable for wired remote
- 5v 2A PSU
- Instruction guide
