The Flex Control Panel is compatible with all current TriCaster® models. Please visit the **dedicated web page** for all NewTek Control Panels to see if your TriCaster model is supported.
Please ensure that your TriCaster® is running the latest software version by visiting **NewTek Product Updates and Downloads**. TriCaster software build 8-0 or later is required for functionality with Flex.
Complete user guides for Flex and all other NewTek products can be found at **NewTek Product Updates and Downloads**
