NEXTECH

NEXTECH XC5140 Bluetooth Media Keyboard with Holder

Specifications:

- Model: XC5140
- Compatibility: PC (Windows), Android, iOS™
- Bluetooth Version: BT5.0
- Charging Port: USB Micro B
- Power Source: Rechargeable battery

Product Usage Instructions

Before First Use:

1. Fully charge the keyboard before the first use.
2. Place the product on a dry, flat, even surface.

Operation Instructions:

1. Turn on the media keyboard by pressing the on/off switch. The LED status indicator will begin flashing blue.
2. Depending on the operating system of your device (PC, Android, iOS™), follow the specific instructions below.
3. To pair with a device, select BT5.0 Keyboard from the devices list. The LED status indicator will flash slowly during pairing.
4. Once paired successfully, the LED status indicator will stop flashing blue.
5. To activate multimedia key function, press the designated keys simultaneously as per your operating system.
6. If the media keyboard or device is turned off, press any key and wait for up to 10 seconds for reconnection.

For Android (Smartphone & Tablet):

1. Open the settings on your smartphone or tablet.
2. Click on the connected devices menu to view current connections.
3. Select BT5.0 Keyboard to initiate pairing.
4. Press pair button on the pop-up menu to complete pairing.
5. Press fn and W buttons simultaneously to activate multimedia keys.

Frequently Asked Questions

- **Q: What should I do if the media keyboard is not pairing with my device?**

- A: Ensure the media keyboard is turned on and in pairing mode. Check that the LED status indicator is flashing blue during pairing. Try restarting both devices and attempt pairing again.

- **Q: How can I charge the keyboard?**

- A: You can charge the keyboard using the provided USB Micro B charging cable. Connect it to a power source such as a computer or USB wall adapter.

Please read and save all instructions to ensure safe and effective use of this product

GENERAL INFORMATION & SAFETY INSTRUCTIONS

Read this manual thoroughly before first use, even if you are familiar with this type of product. Please keep this user manual in a safe place along with your purchase receipt and gift box for future reference.
