Small NFC Display WIFI NFC-Tag Stand

1

The dimensions of the stand are 55 mm x 85 mm.
Download the print template and open it in your editing program.

2

https://www.buchenbusch.de/

Now draw your design on the print template.
Please note the following points:

1. Rasterize all text.

2. Make sure the font isn't too small. Print the layout on your printer as a test.

3. Send us a black and white file.

4. Create the design, preferably as a vector graphic or alternatively as a high-resolution image (300 dpi).

5. When you create a vector graphic, reduce the file to one single layer.

3 Enter your desired link below and upload your design. After ordering, we will send
you a digital draft for approval via email.
