**niceboy HIVE PINS 2 ANC Active Noise Cancelling Earbuds**

## PACKAGE CONTENTS

Niceboy HIVE Pins 2 ANC Charging box Manual

## CHARGING THE CHARGING BOX

Before using the earphones for the first time, we recommend fully charging the battery. Charge the earphones using the enclosed USB-C cable and any 5 V/1-2 A power adapter or a USB port on a PC, power bank etc.

1. Plug the charging cable into the port on the charging box.
2. Place both earphones in the charging box and let them charge.
3. Remove the earphones from the box. They will switch themselves on and pair with each other automatically.

## SAFETY INFORMATION

Listening to music at very high volume can damage your hearing. Do not expose the device to fluids or humidity. Do not expose the device to extreme temperatures or try to disassemble it. Protect the device from sharp objects and falls from height. Batteries – improper handling (prolonged charging, short circuit, breakage by other objects, etc.) may result in fire, overheating or battery leakage. The battery or accumulator that may be included with the product has a service life of six months, as it is a consumable. Information on all frequency bands in which the radio equipment operates and intentionally transmits radio waves as well as the maximum radio frequency power transmitted in the frequency band in which the radio equipment is operated is included in the instructions and safety information.

NICEBOY s.r.o. hereby declares that the type of radio equipment HIVE Pins 2 ANC complies with Directives 2014/53 / EU, 2014/30 / EU, 2014/35 / EU, and 2011/65 / EU. The full content of EU Declaration of Conformity is available on the following websites: <https://niceboy.eu/en/declaration/hive-pins-anc>

## USER INFORMATION FOR DISPOSING ELECTRICAL AND ELECTRONIC DEVICES (HOME USE)

This symbol located on a product or in the product's original documentation means that the used electrical or electronic products may not be disposed together with the communal waste. In order to dispose of these products

correctly, take them to a designated collection site, where they will be accepted for free. By disposing of a product in this way, you are helping to protect precious natural resources and helping to prevent any potential negative impacts on the environment and human health, which could be the result of incorrect waste disposal. You may receive more detailed information from your local authority or nearest collection site. According to national regulations, fines may also be given out to anyone who disposes of this type of waste incorrectly.

User information for disposing electrical and electronic devices. (Business and corporate use)

In order to correctly dispose of electrical and electronic devices for business and corporate use, refer to the product's manufacturer or importer. They will provide you with information regarding all disposal methods and, according to the date stated on the electrical or electronic device on the market, they will tell you who is responsible for financing the disposal of this electrical or electronic device. Information regarding disposal processes in other countries outside the EU. The symbol displayed above is only valid for countries within the European Union. For the correct disposal of electrical and electronic devices, request the relevant information from your local authorities or the device seller.
