## NSHTZOOM700R Fully Adjustable Spot to Flood Beam Head Torch

### UPGRADED ZOOM 700R

700 Lumens, – Powerful, Fully Adjustable Spot-to-Flood Beam Head Torch

The Zoom 700R is a upgraded version of the Zoom 580R, a super lightweight, comfortable head torch with a powerful 700 lumens output at full power.

Rotate the zoom lens to switch from a 200 metres spot beam down to a diffused wide beam for close up illumination.

- Hybrid power supply – rechargeable lithium battery and disposable batteries
- Compact and lightweight design
- Fully adjustable spot-to-flood beam
- Switch between cool white light to warm white light
