8. **Modern and Sleek Design:** Features a modern and sleek design that complements any decor, adding a touch of elegance to your space.

9. **Stable Tabletop Mounting:** Designed for stable tabletop mounting, providing convenience and stability during use.
10. **Mirror and Frame Size:** The mirror size is 29" x 26.2", while the frame size is 33.6" x 26.9" x 5.9", offering a perfect balance of size and functionality.
11. **Energy-Saving LED Bulbs:** These come with 13 dimmable LED bulbs that are energy-saving and replaceable, ensuring long-lasting performance and efficiency.
12. **Smart Touch Control Design:** Features a smart touch control design that allows you to turn on/off the light and adjust the brightness with a simple touch, enhancing energy-saving capabilities.
13. **Fragile Product Warning:** Due to the fragile nature of the mirror, if you encounter any issues upon receiving it, please contact customer service for timely assistance.

How to Use

1. Place the mirror on a flat and stable surface, such as a tabletop or vanity.
2. Connect the power adapter to a power source and plug it into the mirror.
3. Use the touch controls to adjust the brightness of the LED lighting according to your preferences.
4. Position yourself in front of the mirror and use it for makeup application, grooming, or skincare routines.

Safety Precautions

- Avoid placing the mirror near water or other liquids to prevent electrical hazards.
- Keep the power adapter and cable away from water or moisture.
- Do not attempt to disassemble or modify the mirror's electrical components.

Maintenance

- Clean the mirror regularly with a soft, non-abrasive cloth to remove dust and dirt.
- Avoid using harsh chemicals or abrasive cleaners that could damage the mirror's surface.
- Store the mirror in a dry and dust-free environment when not in use to maintain its appearance.

Troubleshooting

- If the LED lights do not turn on, check the power adapter and connections.
- If the mirror does not respond to touch controls, ensure that the touch sensor is clean and free from debris.
- If you encounter any other issues, refer to the user manual or contact Nitin customer support for assistance.

FAQs
