This isometric line drawing shows the table with the third panel attached to the right side of the second panel. The table now consists of three rectangular panels joined together. The legs and base structure are visible at the bottom, showing the table is ready for use.

- Manufacturer recommends not to use furniture polishes or any other chemicals
- Furniture is for indoor use only; temperature and humidity should be regulated
- Use only soft, damp cloth for cleaning – Avoid direct sunlight as it can cause fading
