## Novo Support 6.1 Disable Enable Touch Feature

Contents [hide]

Disable/Enable touch feature

For some use cases, you may want to temporarily disable or enable the touch feature. The following instructions show how to disable or enable it.

Disable Touch Feature

To disable touch, use a key combination on the remote control.

Press these buttons sequentially: Input Source, Input Source, then Vol down.

Enable Touch Feature

To enable touch, use a key combination on the remote control.

Press these buttons sequentially: Input Source, Input Source, then Vol up.
