Multi-functional table lamp manual

Dear friend,

Really thanks for choosing this NovoLido led desk lamp with usb charging port.

It is a 4-in-1 multi-functional desk lamp. You can use it for lighting your room, storing your pen, holding and charging your phone. I believe that you will like this mini cute lamp. It is portable and lightweight, and you can carry it easily.

NovoLido promises that we offer 12 months warranty of this lamp. If you have any problem about this product, please contact us by novolido_service@hotmail.com or amazon message. I will send you suggestions and solution, and solve your problem immediately.

Best regards,

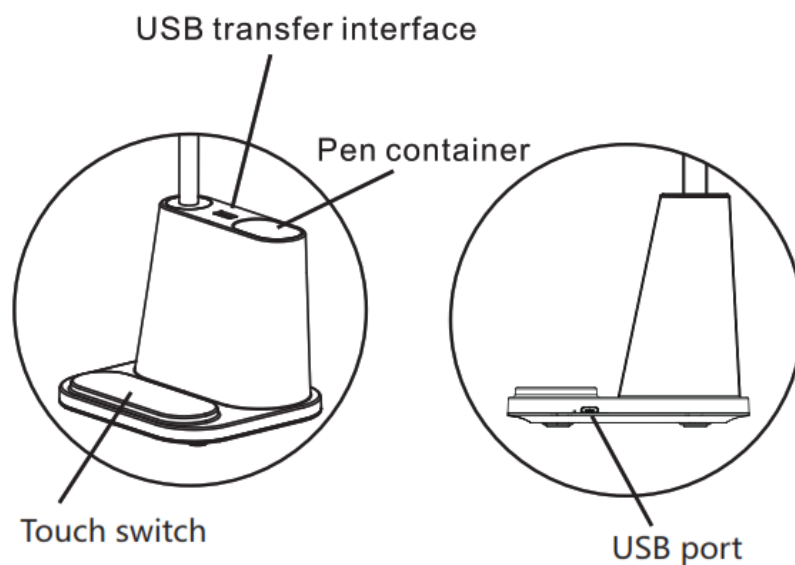

Lynn
