nVent HOFFMAN CS480 Coupling Sleeve

Product Information

- **Product Name:** 87569897
- **Revision:** B

Product Usage Instructions

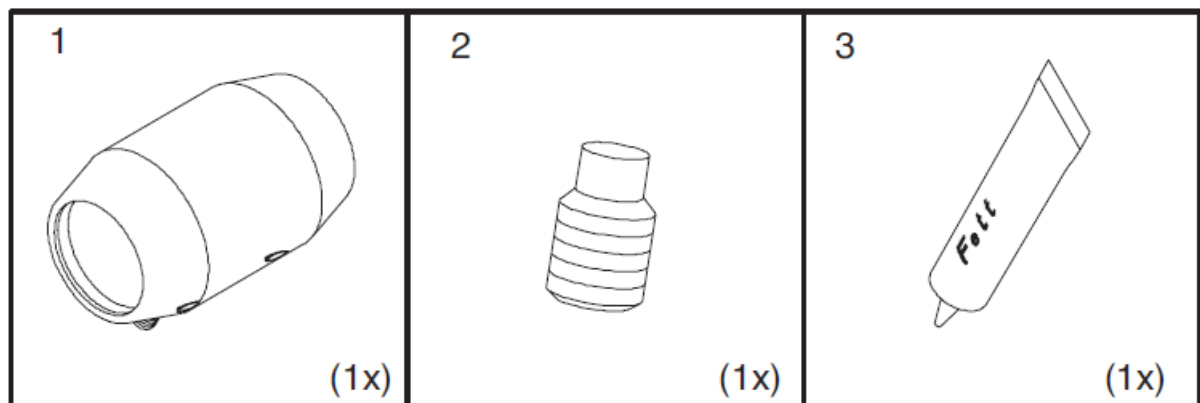

Mounting Combinations:

- **Vertical Mounting (Vertikale Montage):** Mount the product vertically using the provided vertical support (item 1x).
- **Horizontal Mounting (Horizontal Montage):** Mount the product horizontally using the provided horizontal support (item 1x).

Alternate Set Screw:

To avoid personal injury and/or product damage, it is important to use the alternate set screw (item 3) when mounting the enclosure below a joint fitting.

Whats's In The Box

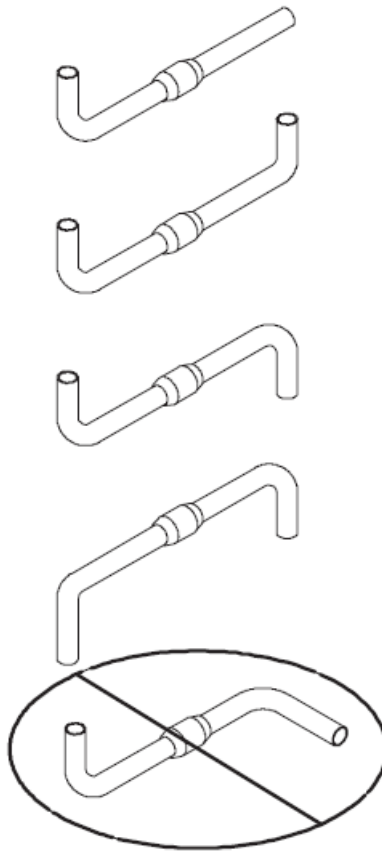

CAUTION

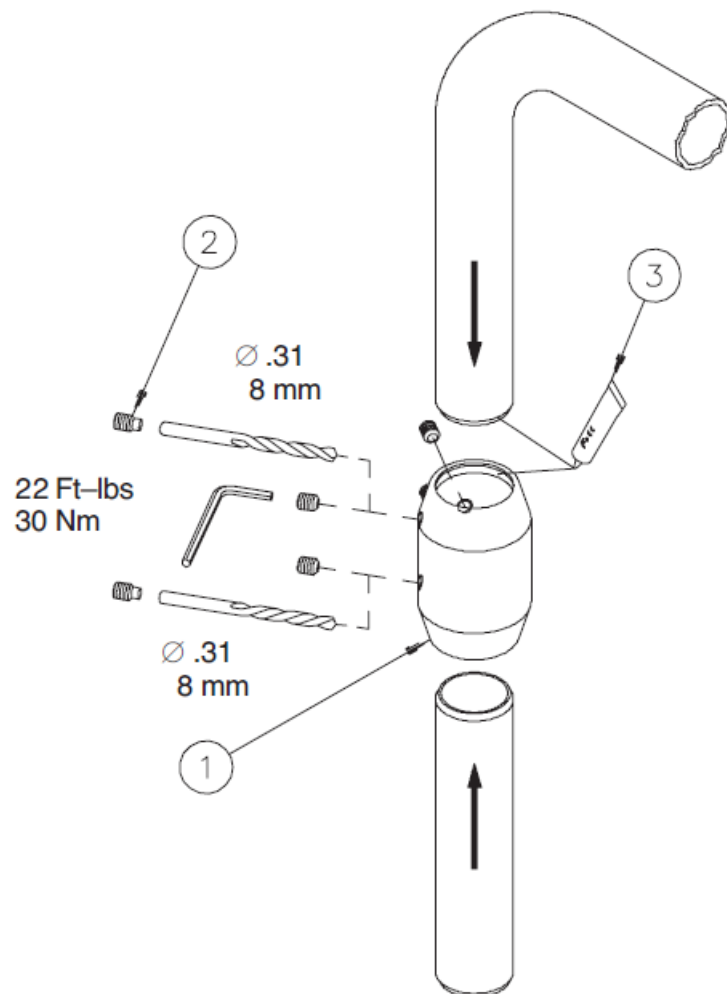

To avoid personal injury and/or product damage, an alternate set screw (item 3) is required when the enclosure is mounted below the joint fitting.
