nVent HOFFMAN D-Box Padlock Kit

Product Information

The D-Box™ is a product that consists of the following components:

- 1 D-Box™ unit (1x)
- 2 M4 units (1x)
- 3 Rev. C units (1x)
- P/N 87783976 unit
- P/N 87784864 unit

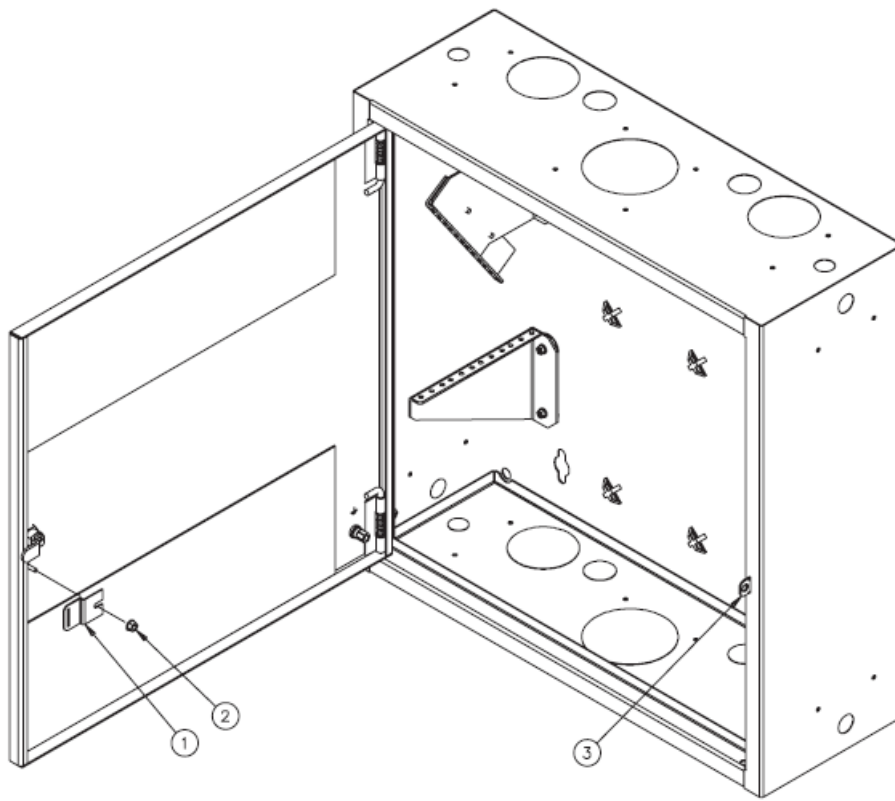

Product Usage Instructions

Follow the steps below to use the D-Box™:

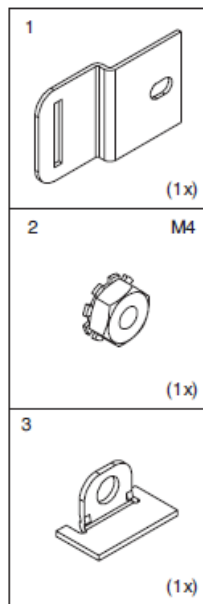

1. Ensure that you have all the components mentioned above.
2. Connect the D-Box™ unit to the power source using the provided cables.
3. Place the M4 unit in the designated slot on the D-Box™ unit.
4. Insert the Rev. C unit into its corresponding slot on the D-Box™ unit.
5. Make sure all units are securely connected.
6. Refer to the P/N units for any additional instructions specific to those components.

For further information or troubleshooting, please refer to the complete user manual.

Overview

Installation

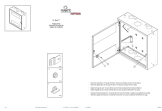

- Insert the hasp (item 1) through the slot in the door and fasten to the mounting stud.
- Insert the staple (item 3) through the slot in the body and press firmly in place.
