nVent HOFFMAN ProLine G2 Frame Joining Kit

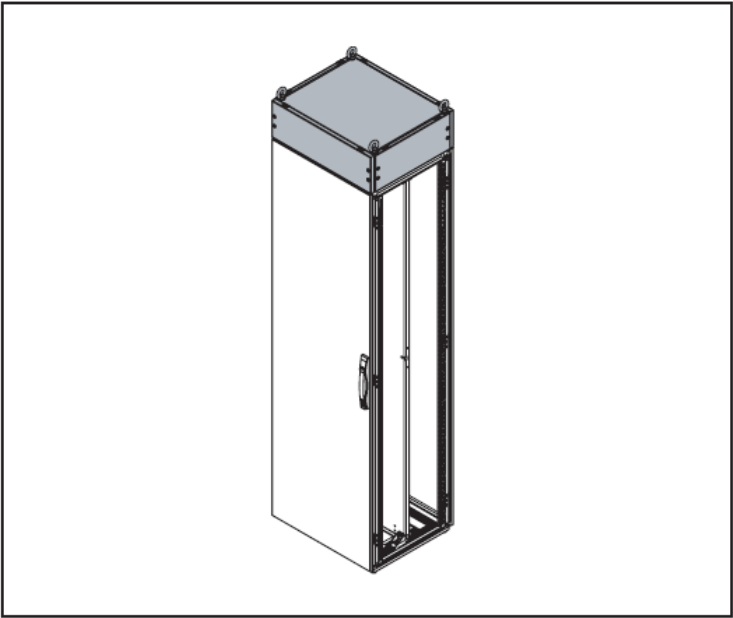

Product Information

| | |
|---------------------|--------------|
| Product Name | ProLine G2 |
| Part Number | P/N 89168480 |

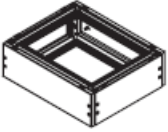

Product Usage Instructions

To properly use the ProLine G2, please follow the instructions below:

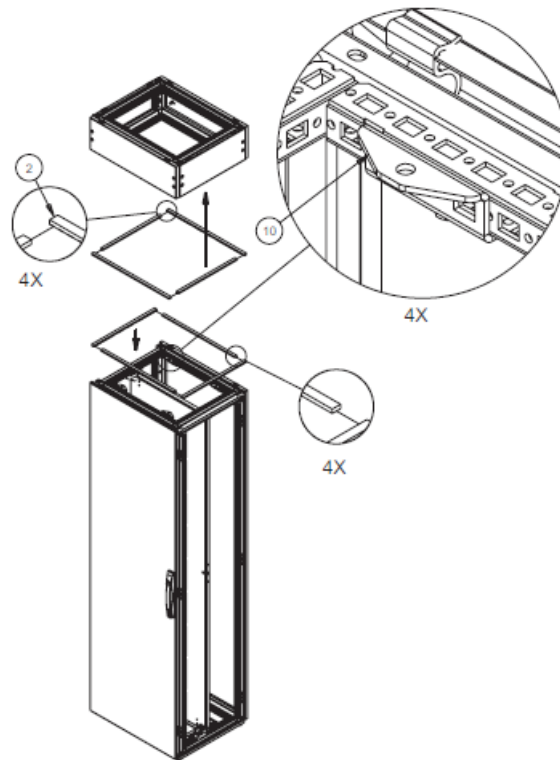

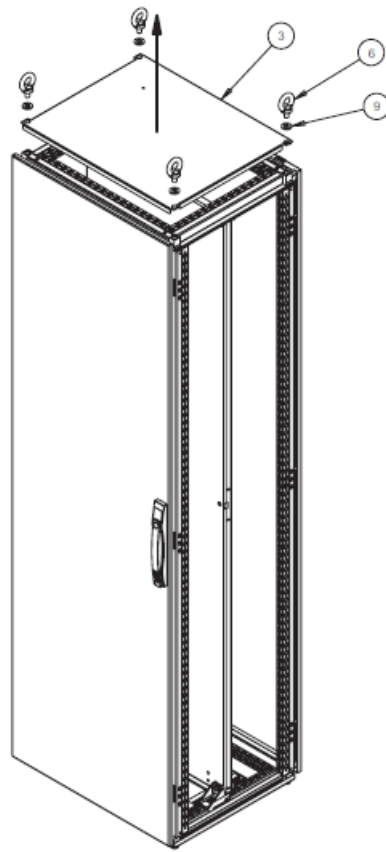

1. Ensure that the product is properly connected to a power source.
2. Refer to the user manual for detailed information on product setup and configuration.
3. Use the control panel or remote control to navigate through the product's features and settings.
4. When using the product for the first time, it is recommended to perform an initial setup by following the on-screen prompts.
5. Make sure to read and understand the safety guidelines provided in the user manual before operating the product.

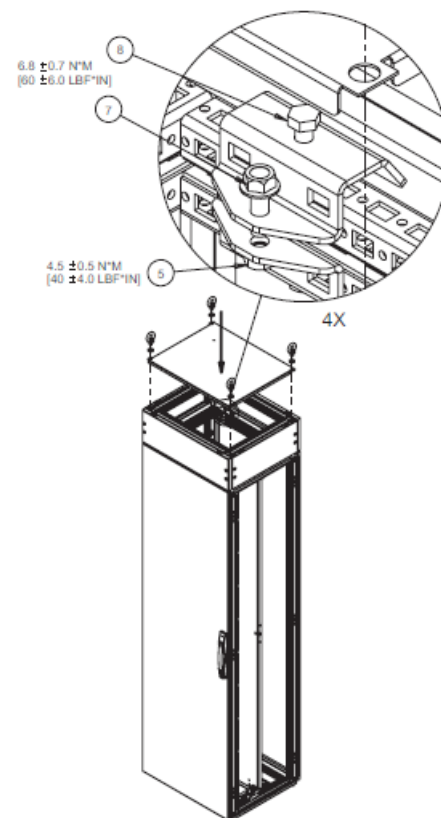

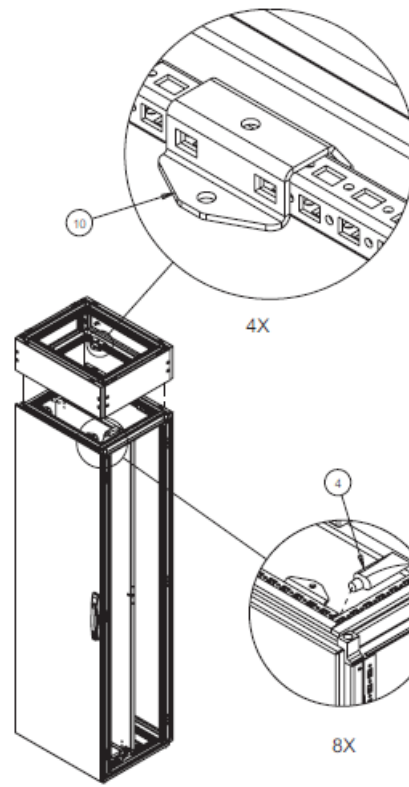

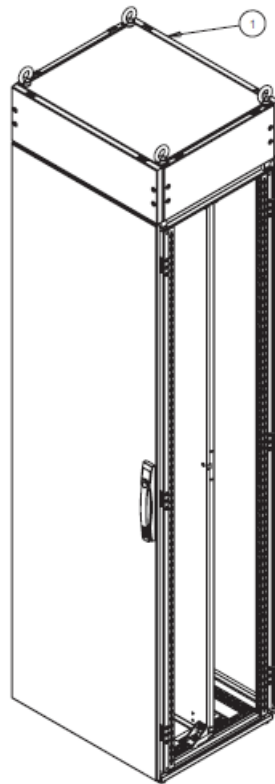

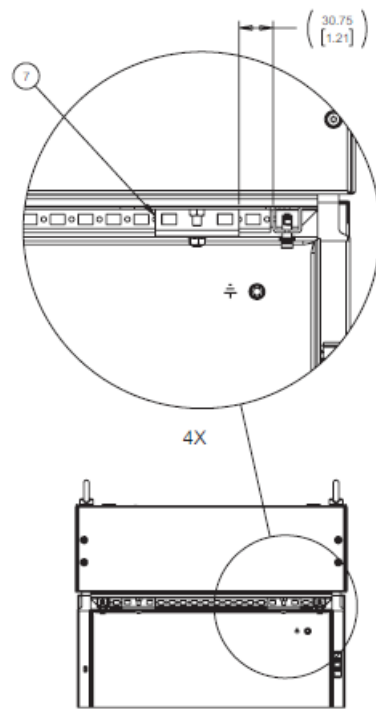

Tools

| | | |
|--|--|--|
