Product Usage Instructions

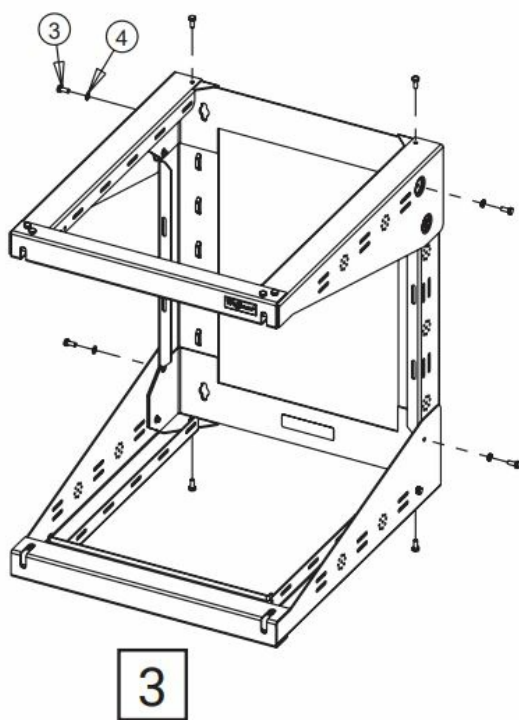

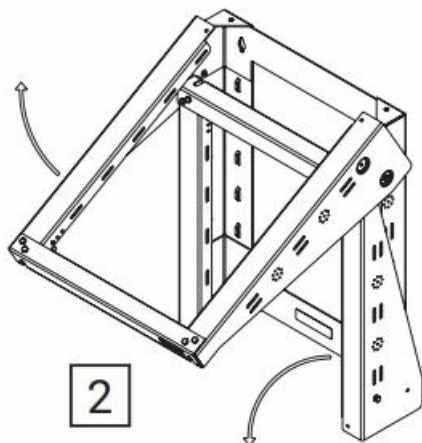

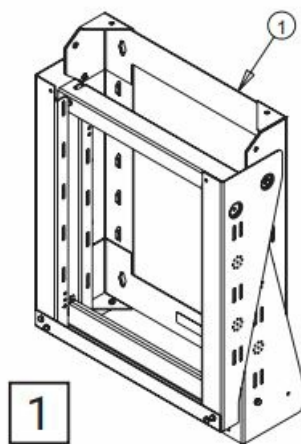

- **Step 1: Unpacking the VERSARACK**
 - Remove all packaging materials and ensure that all components are included in the package.
- **Step 2: Assembly**
 - Follow the assembly instructions provided in the user manual. Use the numbered parts mentioned in the manual to correctly assemble the VERSARACK.
- **Step 3: Mounting the VERSARACK**
 - Choose a suitable location for mounting the VERSARACK. Ensure that it is securely attached to a stable surface or wall using appropriate screws or mounting brackets.
- **Step 4: Adjustments**
 - If necessary, make any necessary adjustments to the VERSARACK to fit your specific requirements. Refer to the user manual for guidance on making adjustments.
- **Step 5: Loading and Organizing Equipment**
 - Carefully place your equipment on the VERSARACK, ensuring that it is properly balanced and secured. Use cable management accessories to organize and route cables for a neat and organized setup.
- **Step 6: Maintenance and Cleaning**
 - Regularly inspect the VERSARACK for any signs of damage or wear. Clean the surface with a damp cloth and mild detergent if necessary. Avoid using abrasive cleaners that may damage the finish.
- **Step 7: Troubleshooting**
 - If you encounter any issues with the VERSARACK, refer to the troubleshooting section in the user manual. If the problem persists, contact our customer support for assistance.
- **Step 8: Disassembly and Storage**
 - If you need to disassemble the VERSARACK for storage or transportation, follow the reverse steps of the

assembly instructions. Store all components in a safe and dry place.
