nVent A72PM78G Panel For Free Stand With Mounting Stud

Product Usage Instructions

- Panel mounting hardware is furnished with all enclosures that accept these panels.

Additional Product Details

- Catalog numbers ending in B or BG represent the 2-piece panels, reference drawing configuration 2 in the spec sheet.
- For all other catalog numbers, reference drawing configuration 1 in the spec sheet.
- Catalog numbers with a B suffix include two painted panels bolted together, with top and bottom stiffeners for additional support.
- Use a combination of panels for 3-5 Door Free-Stand Enclosures.

Product Warnings

- nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials.
- Improper installation, misuse, misapplication, or other failure to completely follow nVent's instructions and warnings may cause product malfunction, property damage, serious bodily injury, and death and/or void your warranty.

Brand Information

- Our powerful portfolio of brands includes nVent.com, CADDY, ERICO, HOFFMAN, RAYCHEM, SCHROFF, and TRACER.

Disclaimer

- nVent reserves the right to change specifications without notice.

FAQ

- **Q:** Can I use these panels with any type of enclosure?
- **A:** These panels are designed for Free-stand Multi-Door Enclosures with Mounting Studs. Make sure to check compatibility before use.
- **Q:** Are the panels pre-drilled for easy installation?
- **A:** Yes, extra holes are provided for lifting and installing the panels.
- **Q:** What should I do if I encounter a problem with the product?
- **A:** Refer to nVent's product instruction sheets available at www.nvent.com or contact your nVent customer service representative for assistance.
