**nVent JBM-100 Small Pipe Adapter**

## Product Specifications

- **Catalog Number:** D55673-000 (JBM-SPA), E90515-000 (JBS-SPA)
- **Item Name:** JBM-SPA, JBS-SPA
- **Width:** 51.3 mm (JBM-SPA), 51.6 mm (JBS-SPA)
- **Thickness:** 12.7 mm (JBM-SPA), 14.2 mm (JBS-SPA)

## Product Information

The nVent RAYCHEM JBS-SPA and JBM-SPA are small pipe adapters designed for mounting E-100, E-100-L, JBS-100, JS-100-A, and JBM-100, T-100 respectively to small pipes with a 1-inch diameter.

## Product Features

- Simple and fast to install
- Reliable during long life
- 10-year product warranty available
- Maintenance-free

## Product Usage Instructions

1. Ensure that the small pipe adapter matches the diameter of the pipe you intend to mount it on.
2. Follow the nVent product instruction sheets available at [www.nvent.com](http://www.nvent.com) or from your nVent customer service representative.
3. Install the small pipe adapter securely using appropriate tools as per the provided instructions.
4. Do not misuse or misapply the product to avoid malfunctions or property damage.
5. Contact nVent customer service for any assistance or clarification.

## Warnings:

nVent products must be installed and used according to the provided instruction sheets and training materials.

Failure to follow instructions may result in product malfunction, property damage, bodily injury, or void your warranty.

## Frequently Asked Questions (FAQ)

- **Can these small pipe adapters be used with pipes larger than 1 inch in diameter?**

No, these small pipe adapters are specifically designed for mounting on small pipes with a 1-inch diameter.

- **Is professional installation required for these adapters?**

While it is recommended to follow the provided installation instructions carefully, professional installation is not mandatory if the user is familiar with basic installation procedures.

## FEATURES

- Simple and fast to install
- Reliable during long life: 10 year product warranty available, maintenance free
