How to connect PC

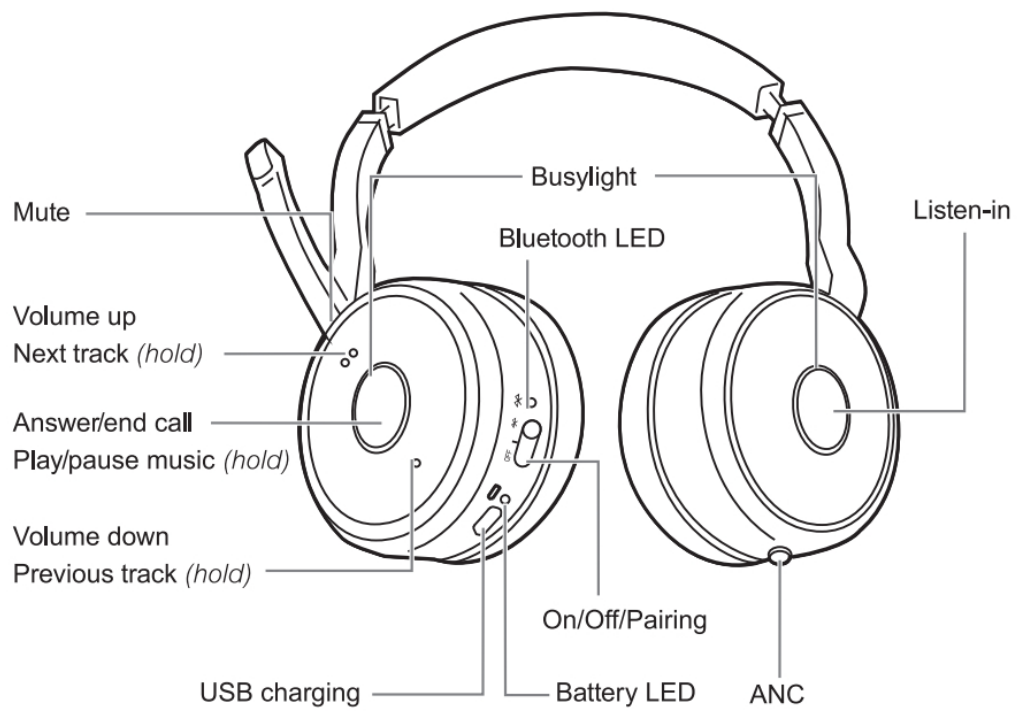

The headphones and the USB dongle are pre-paired and ready for use. Plug in the USB dongle and power on the headphones.

Smartphone

Turn on Bluetooth pairing on the headphones and follow the voice instructions to pair to your smartphone.

How to use

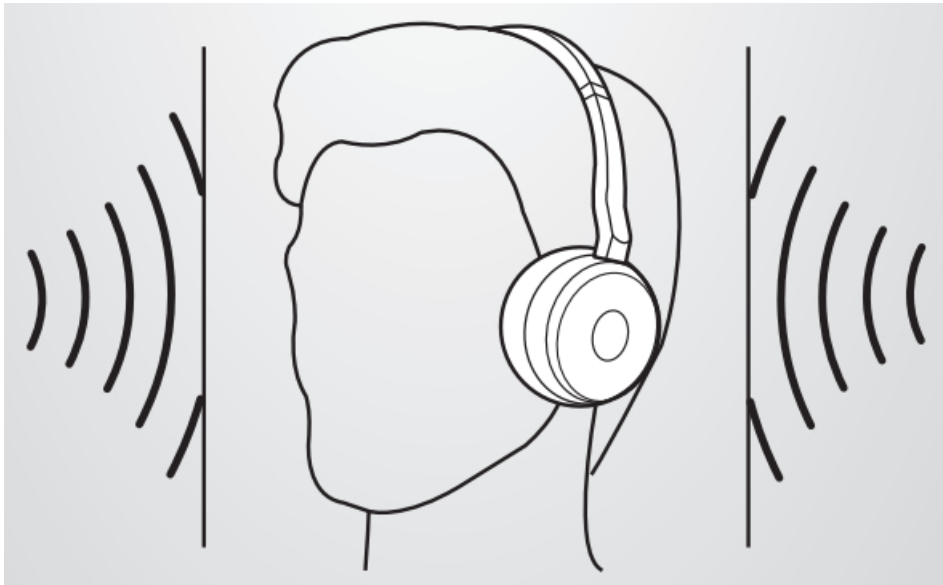

Listen-in

Listen to your surroundings without taking off your headphones.

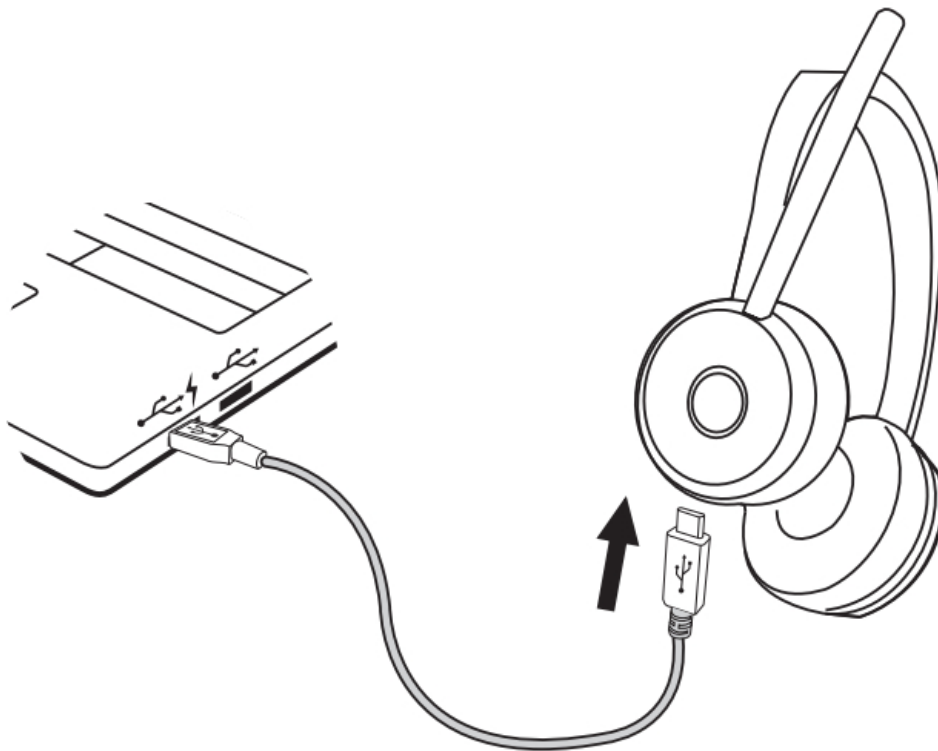

Active Noise

Cancellation (ANC) Eliminate unwanted background noise.

Charging

Plug the headphones into a USB port on your PC or wall charger.
