DANGER

- Keep away from children and do not allow them to play with the product to avoid physical injury.
- The product's blade, can opener, and scissors are very sharp. Improper use can cause physical injury.

WARNING

- Please ensure that all tools are closed when storing or carrying the product.
- The blade and scissors should not be used to cut or trim hard objects such as metal. Improper use may cause irreversible damage such as chipping or breaking.
- When using the scissors, please do not unfold other tools for use.

NOTICE

- After long-term use, the sharpness of the scissors and blades may deteriorate. The sharpness of the blades can be restored by re-sharpening them
- The product should be cleaned and wiped dry after use. To prevent rust, store the product in a dry place and apply some lubricating oil to the parts that are not used for an extended period.

WARRANTY

- Your Multi-Tool Series products are guaranteed to be free of defects in material and workmanship and have a limited lifetime warranty to the original purchaser of the products.
- Multi-Tool Series items will not be warranted due to loss, or damage caused by abuse, neglect, misuse, accident, or improper blade sharpening.
- Repairs to your product performed by any source other than Multi-Tool Series Team unconditionally void the knife's warranty.
- The cost of postage is the responsibility of the customer.
