Product Usage Instructions

The MCP3 is a versatile product that includes a PLEXMS Music Stand and a KMS3 Sliding Computer Keyboard/Mouse Shelf. It is designed to provide convenience and functionality for your workspace.

To use the MCP3, follow these steps:

1. Ensure that you have received all the necessary components: PLEXMS Music Stand and KMS3 Sliding Computer Keyboard/Mouse Shelf.
2. Place the MCP3 on your desk or workstation in a suitable position.
3. Attach the PLEXMS Music Stand to the designated area on the MCP3. The stand should be secure and stable.
4. Slide the KMS3 Sliding Computer Keyboard/Mouse Shelf into position under the desk surface. Ensure that it is aligned properly and can move smoothly.
5. Adjust the height of the MCP3 as needed to accommodate your piano or other equipment. Note that the

maximum piano height is 343/4, but this can be increased by sacrificing some room between the KMS3 Shelf and the underside of the desk.
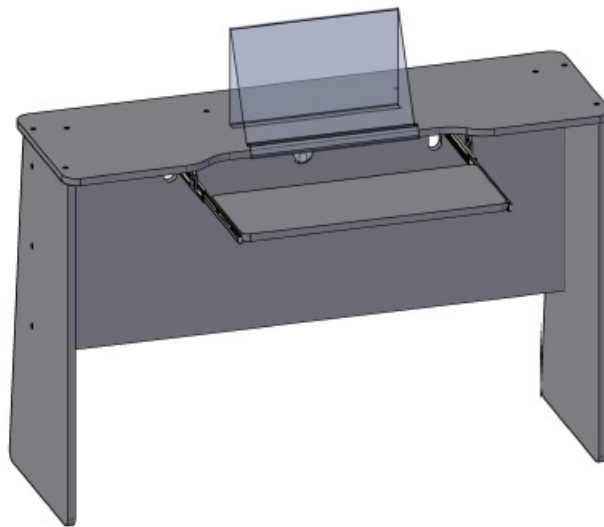

6. Organize your computer keyboard and mouse on the KMS3 Shelf for easy access and comfortable usage during work or music sessions.

Note:
Customization options are available for non-standard configurations, but additional charges may apply. For more information or assistance, please contact Omnirax using the provided contact details.
