Product Usage Instructions

To use the OM13-L or OM13-R model, please follow the steps below:

1. Ensure that you have the correct model for your needs. The OM13-L and OM13-R models are identical, except for being mirror images of each other.
2. Place the OM13-L or OM13-R on a stable surface, aligning the edge with the side of the Omnidesk.
3. For a top view, position yourself above the product.
4. For a front view, face the front side of the product.
5. For a side view, position yourself to the left or right side of the product.

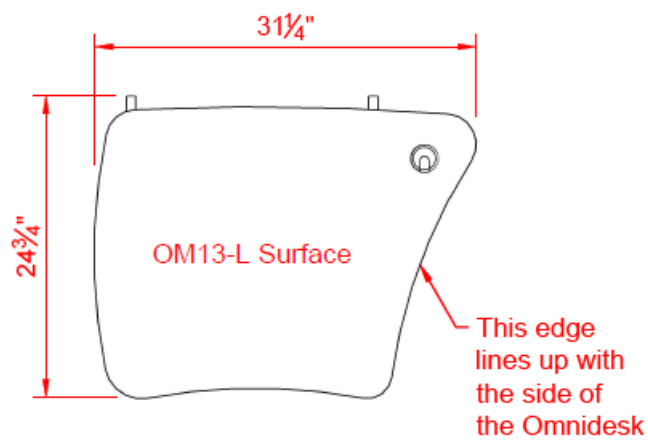

Please note that the OM13-L and OM13-R models are designed to fit a 13-U Rack Bay.
