## Optoma THD2600 Optimised LED Display Panel

- Optimized, high-resolution indoor LED display panel
- Easy installation and maintenance – surface mount and front access
- Ultra-thin panel depth – discreet, space-saving design

- Ultimate reliability – for peace of mind

Optoma is the one-stop solution provider for projection and LED displays with its range of 4K UHD, Full HD and custom LED displays. The ultra-thin LED display panels blend discretely into any corporate, higher education, hospitality and digital signage environment. Perfect for individuals looking to invest in visual equipment, or looking to replace current Large Format Displays (LFD), Video Walls and direct view LED displays.
