Contents

About this product

This SSD enclosure is specially designed for M.2 SSD, with aluminum alloy material, high transmission speed, and high thermal performance provided by an internal thermal fin, bringing you an easy and convenient storage experience. Satisfy diversified storage demands, no matter whether working or entertaining.
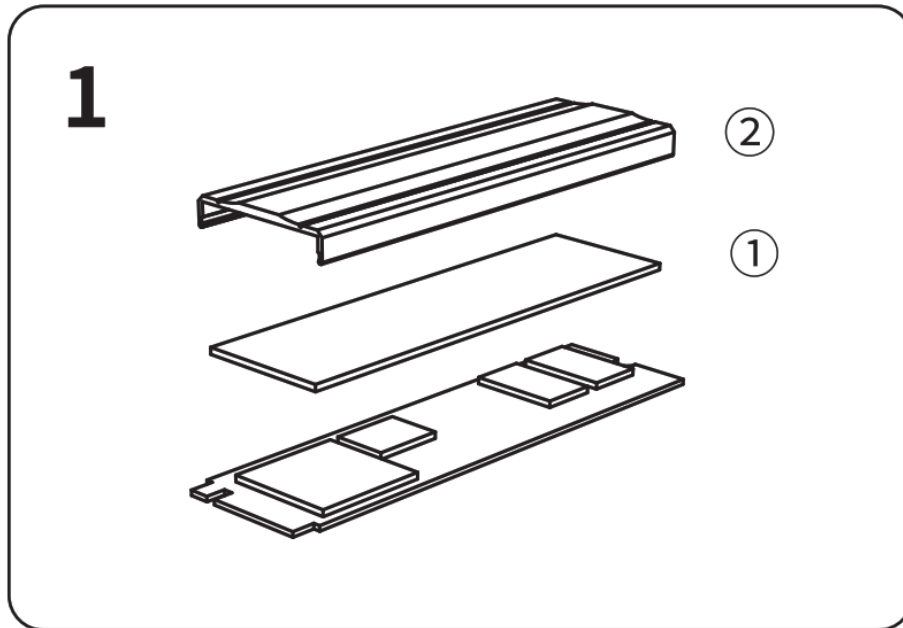

Feature

1. Compatible with M.2 NVMe SSD of 2230, 2242, 2260, and 2280.
2. The 10-minute auto-sleep setting helps to prolong the service life of your hard drive.
3. Applicable to PC, smartphone, laptop, smart TV, PS4, etc.
4. Compatible with Windows / Mac OS / Linux / Android systems.

What's in the box

1 x M.2 SSD Enclosure 1 x Thermal Pad 1 x Data Cable 1 x User Manual	1 x Thermal Fin 1 x Silicone Screw 1 x Screwdriver

How to use

The illustration is only for your reference, subject to real products.
Please stick the silicone and aluminum alloy pad to the SSD.

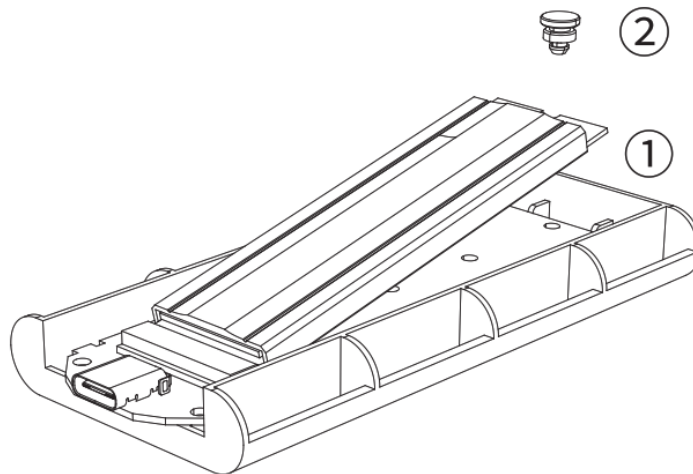

Unscrew the back cover.

Remove the top cover and take the SSD tray out.
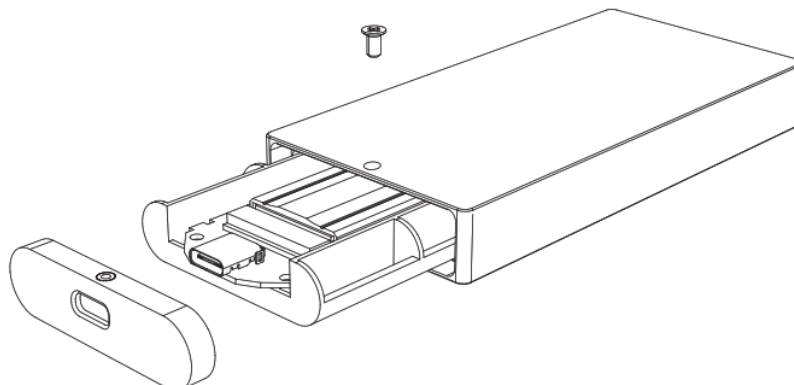

3

Insert SSD in and fixed SSD with silicone plugs.

4

Put the SSD tray in and the top cover back and tighten the screw.

5

Waiting to be connected.

Always remove devices safely

Please make sure the computer has finished saving and stop accessing it before removing it. Removing a drive while it's still transferring or saving data may cause damage to your drive or its data inside.
Notice

1. The hard drive is delicate. Please read the manual carefully before use and install it correctly by following the manual.
2. A new hard drive needs to be initialized before use, or it cannot be recognized.
3. Please do not hit, throw, or puncture the product, and avoid dropping, squeezing, or bending the product.
4. Avoid placing the product in high-temperature, low-temperature, humid, or dust environments
5. Please do not place this product in a corrosive environment, and do not use other chemical solutions to clean the product.
6. Avoid placing the product or accessories in devices with strong electromagnetic fields and keep the product away from magnetic equipment.
7. Keep the product and accessories away from children. Do not allow children to use the product without supervision.
8. Do not disassemble or repair the product and accessories by yourself. Please contact the authorized support center for help.
