Step 2

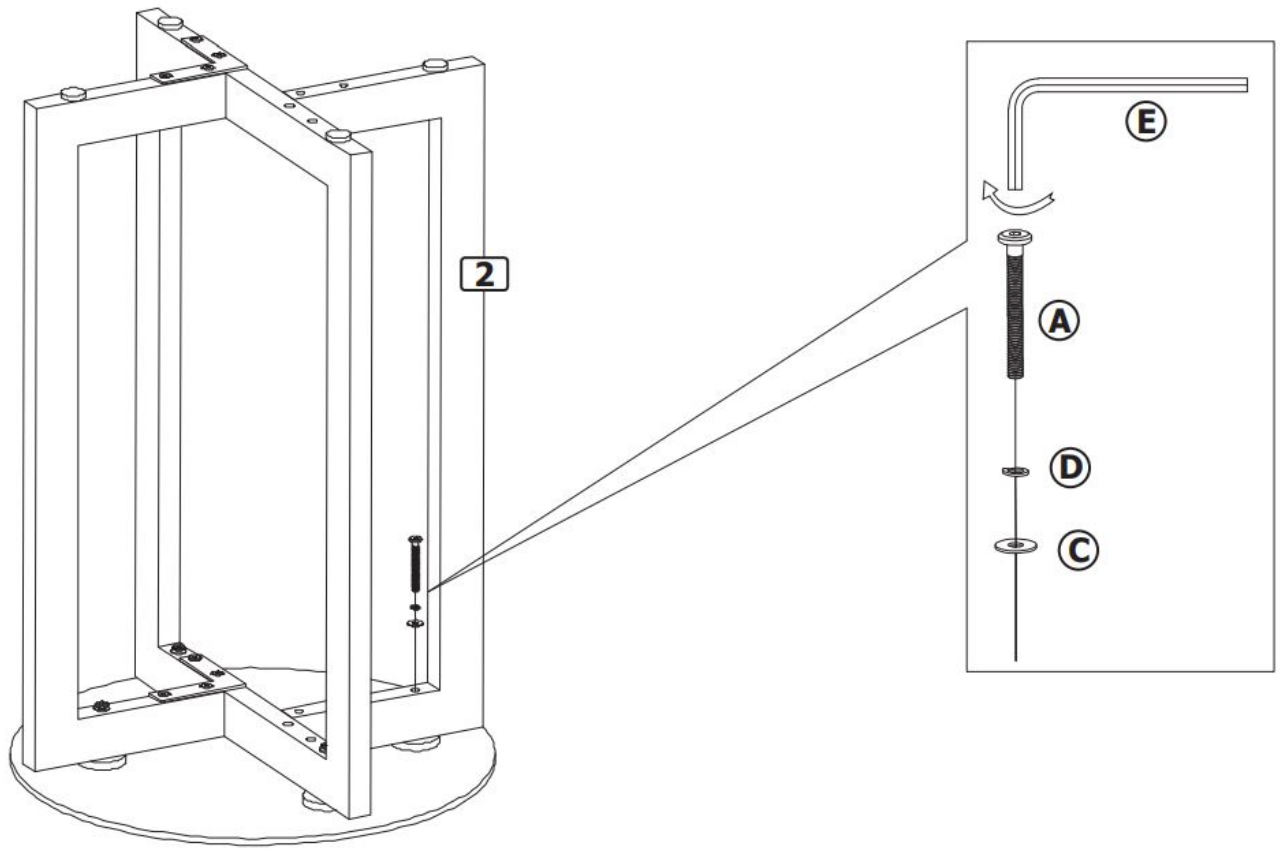

Note: All bolts tighten 80%

Step 3

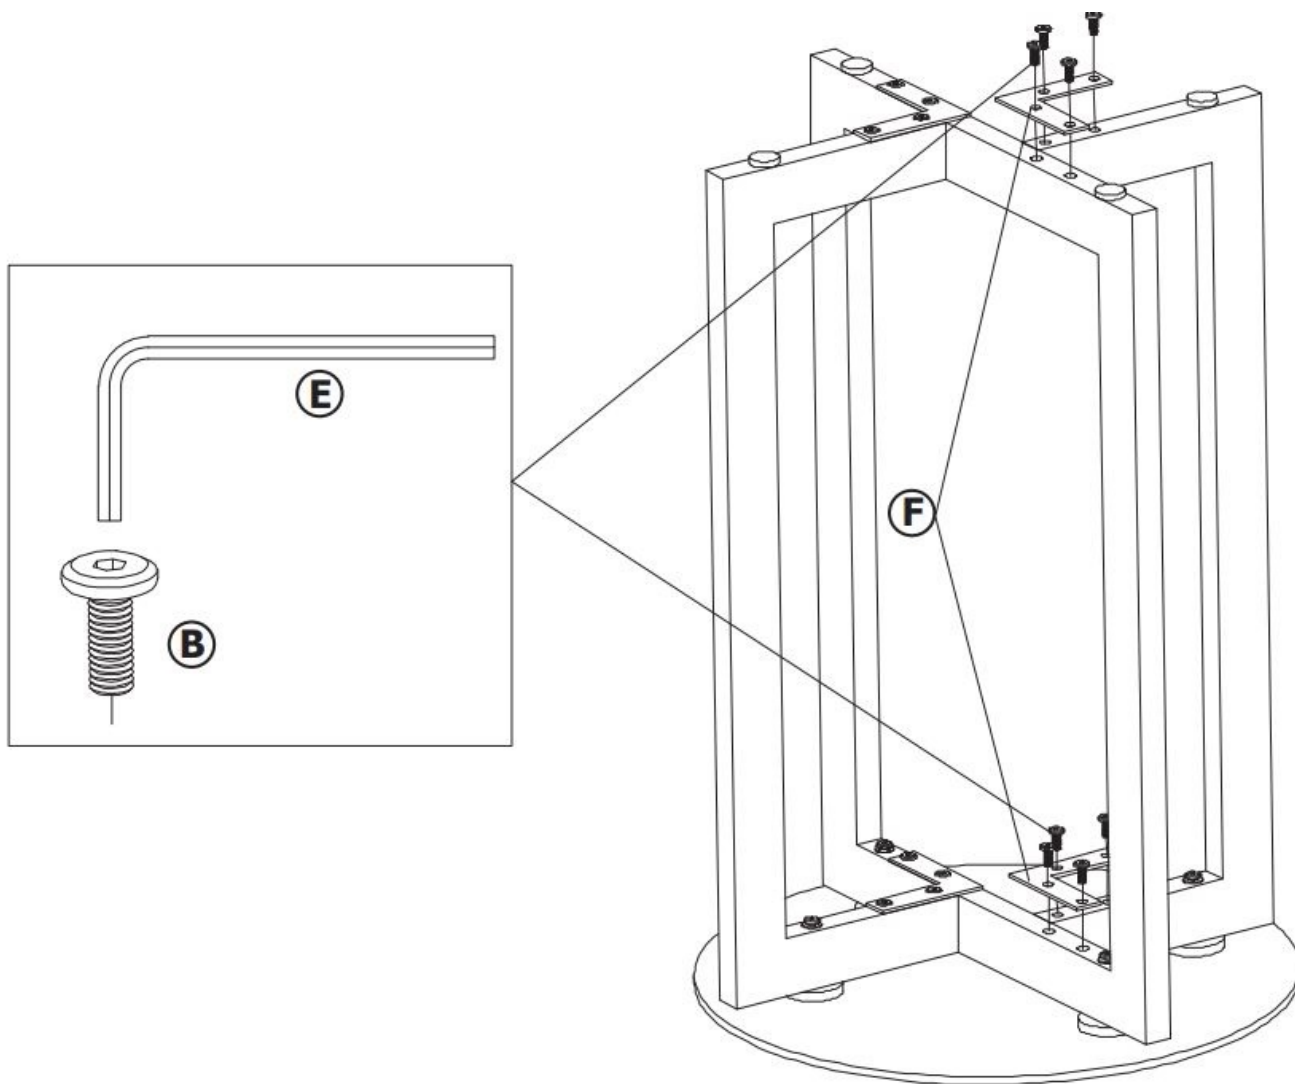

Note: All bolts tighten 80%

Step 4

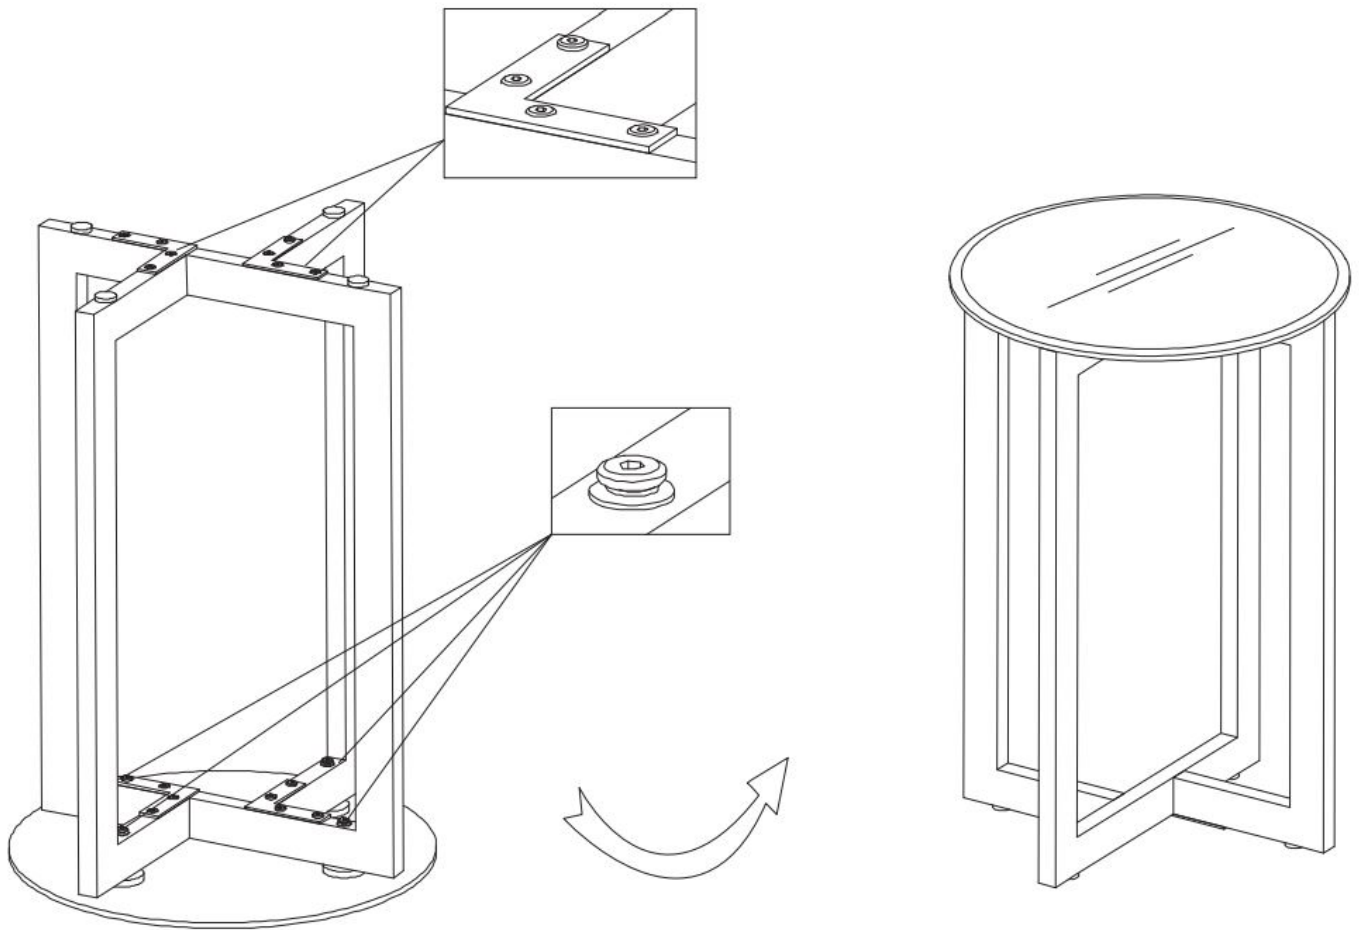

Step 5

Step 6

Note: All bolts tighten 100%.

Health and safety

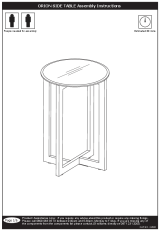

- Assemble on a soft level surface to avoid damaging the unit or your floor.
- This product should not be used if any parts are missing or broken.
- All fixings should be checked and tightened before use and periodically tightened.
- Do not strike with a sharp implement.
- Do not allow product to become wet.
- Always use on a level and even surface.
- To ensure an easier assembly, we strongly advise that all fittings are only finger tightened during initial assembly. Only upon completion of the assembly should all fixing points be fully tightened.

How do I care for the Orion side table

- Wipe clean with a moist cloth
- Do not use abrasive cleaners.
