### FAQs

### 1. How do you change the light modes?

Use the tailcap push-button switch to toggle between full power, half power, and strobe modes.

### 2. Is the flashlight water-resistant?

While it is durable, there is no specific environmental resistance rating for water or dust.

### 3. What type of battery lasts longer with this flashlight?

Rechargeable 18650 lithium-ion batteries generally offer longer runtimes compared to AAA batteries Osprey  
Scopes B&H Photo Video.
