### Maintenance tips

-  Wash with a sponge or soft cloth with warm soapy water
-  Tilt chairs
-  Keeping furniture indoors for the winter
-  Avoid covering furniture

Paint protects your furniture against corrosion. In the event of shocks or scratches, rust may appear. In order to protect your furniture, we recommend quickly applying a touch-up paint in the exact color of your furniture. For optimal use, we recommend the following procedure:

## In case of need

1. Lightly sand the damaged area using fine sandpaper.

2. Dust off.

3. Apply an anti-rust base using the touch-up tube. (Available on [oviala.com](https://oviala.com))

4. Leave to dry.

5. Apply the paint using the touch-up tube without overloading the brush. (Available on [oviala.com](https://oviala.com))

6. Leave to dry for at least 24 hours, away from rain and moisture.

## FAQ

**What is the maximum weight the table can support?**

The table can support up to 150 kg.

**Is this product suitable for outdoor use?**

No, it is intended for domestic use only.

**How should I clean the table?**

Use a sponge or soft cloth with warm soapy water.
