P C CI76V Built In Induction Cooktop

30" Built-In Induction 4-Zones, Beveled Edges, Stainless Steel Trim, Touch Control

Power Boost

Stainless Steel Trim

Features & Benefits

Seamless Design

- Smooth surface offers a modern style in an easy-to-clean design.

Induction Zones

- Induction technology gives you fast, efficient, and high performing cooking power.

Power Boost Function

- All cooking zones include a “Power Boost” function that lets them operate at a higher setting.

Digital Touch Controls

- Easy operation with intuitive touch controls activated by a gentle touch.

Automatic Switch-Off

- If a cooking zone is in use for a certain period of time with no changes to the control setting, the burner will automatically turn off to prevent unsupervised heating.

Timer Function

- Allows you to program burners to heat at a specified level for up to 99 minutes.

Smart Pause Function

- This function allows you to temporarily hold/pause cooking and then resume maintaining previous settings.

Child Safety Lock

- Safety feature lets you lock the cooktop to prevent unsupervised heating.
