PAMRAY

PAMRAY A6-140 Computer Desk With Drawers

IMPORTANT

Please read this manual carefully before beginning assembly of this product. Keep this manual for future reference.

Note and Service

Note

- It's recommended to have two people for the installation, this will significantly improve your efficiency.
- Before assembly, please read this USER MANUAL first, and check according to the Parts List to make sure all parts are included.
- To ensure a smooth assembly, we recommend keeping all Bolts at 80% tightness during the assembly process.
- After the whole desk is assembled, firmly tighten all the Bolts.

Customer Service

Quick Response within 24 Hours

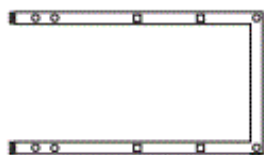

- If you have any questions about this product, please contact us immediately via our email.
- It doesn't matter if the product has been installed or not, our customer support team will respond within 24 hours and assist you quickly and efficiently.
- The most efficient way to confirm your problem to us is to attach a video, which illustrates your product issues.

Disassembly Diagram

Assembly Instructions

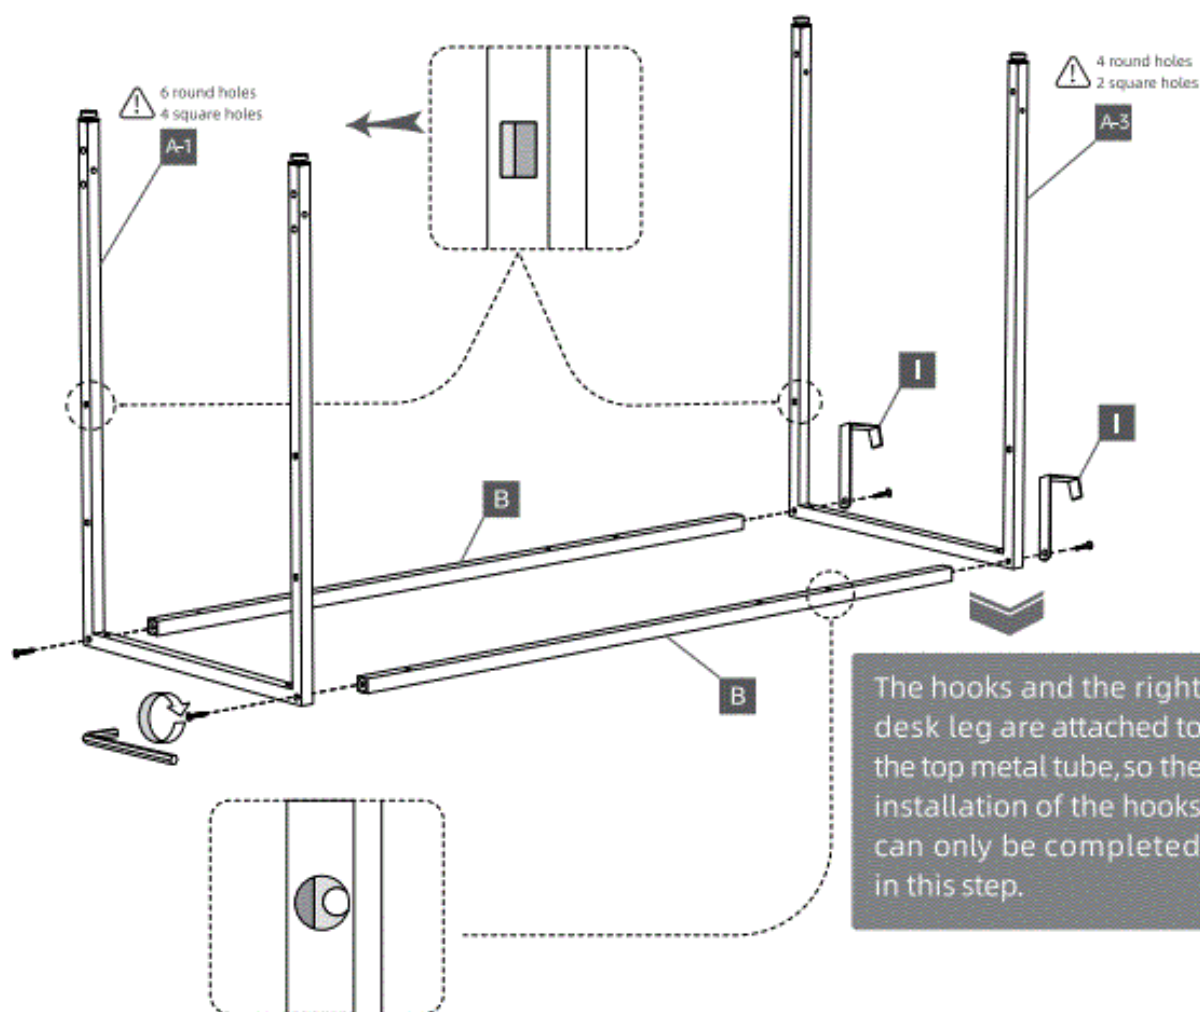

x4	x1	A-1 x1	A-3 x1	B x2	I x2
					

WARNING

Please consult the picture for the installation instructions

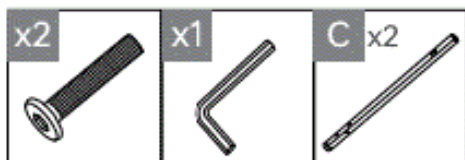

2

The square holes of the two desk legs should face towards the left side.

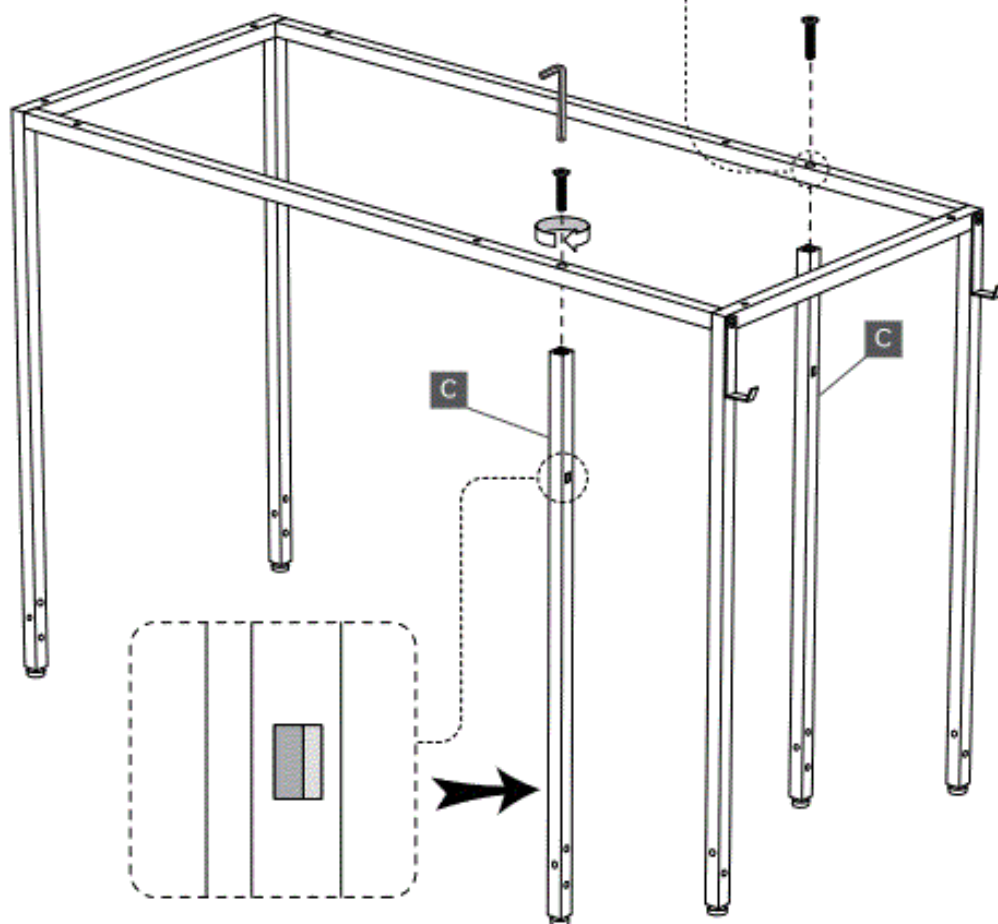

1

The large hole facing downward, positioned near the right side.

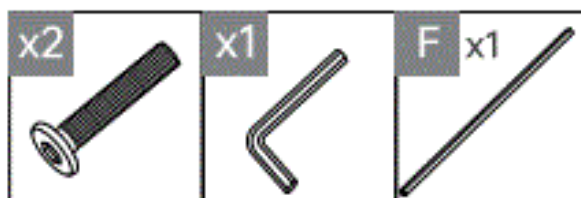

2

Thread the bolt through the large hole in the upper section of the top metal tube and attach it to the embedded connector on the support leg.

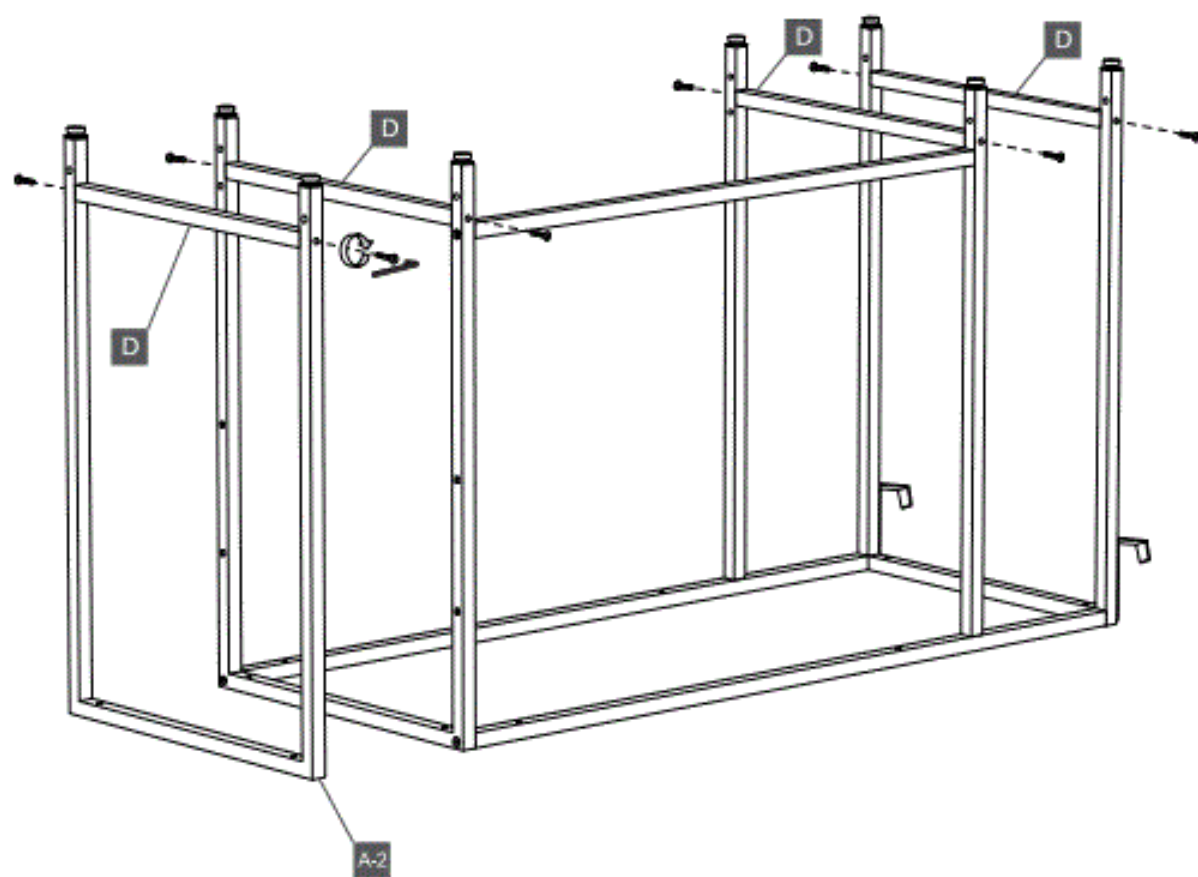

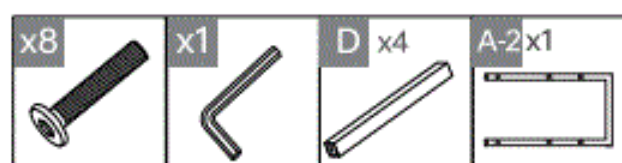

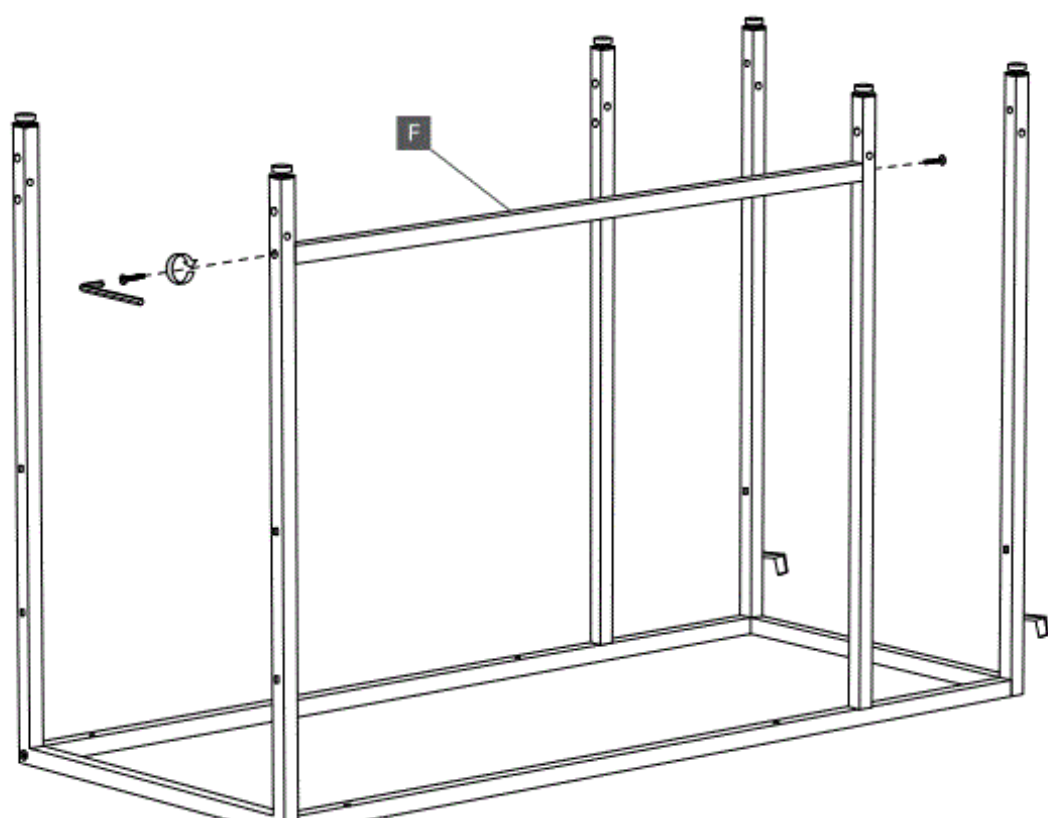

1

The square hole on the support leg faces the right leg.

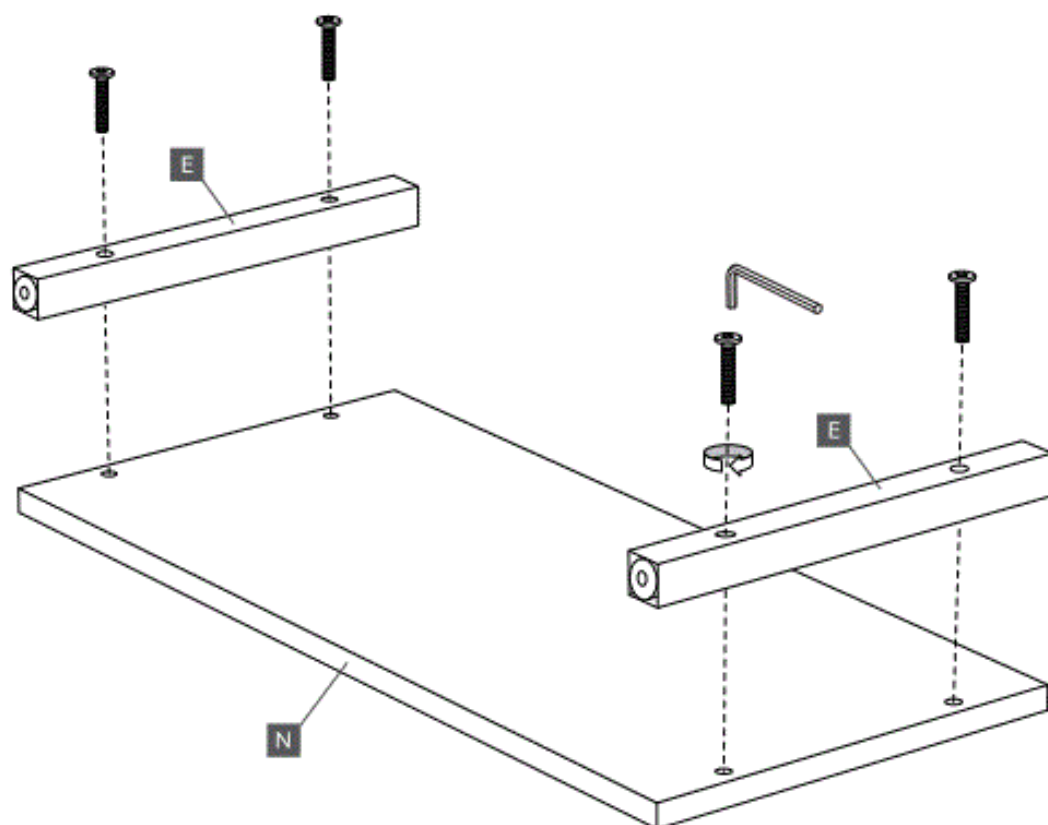

Note:

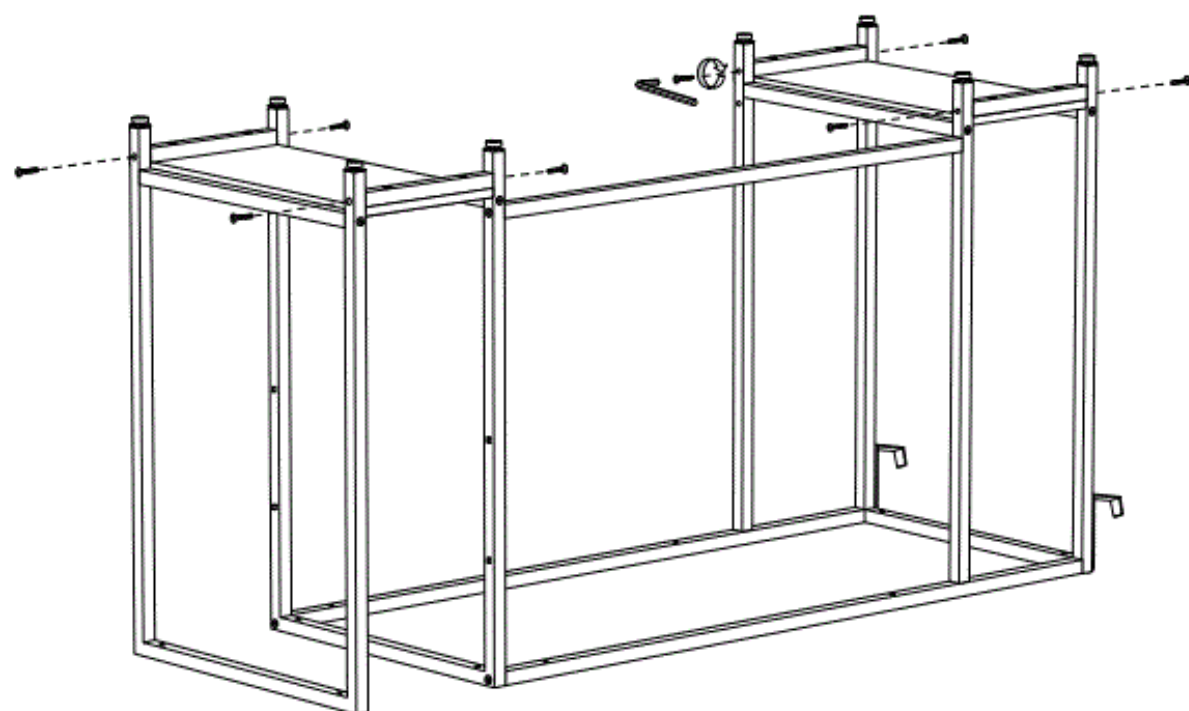

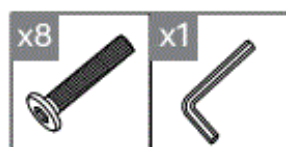

Please consult the picture, the bottom metal tube needs to be in front of the current position.

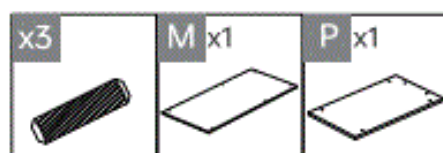

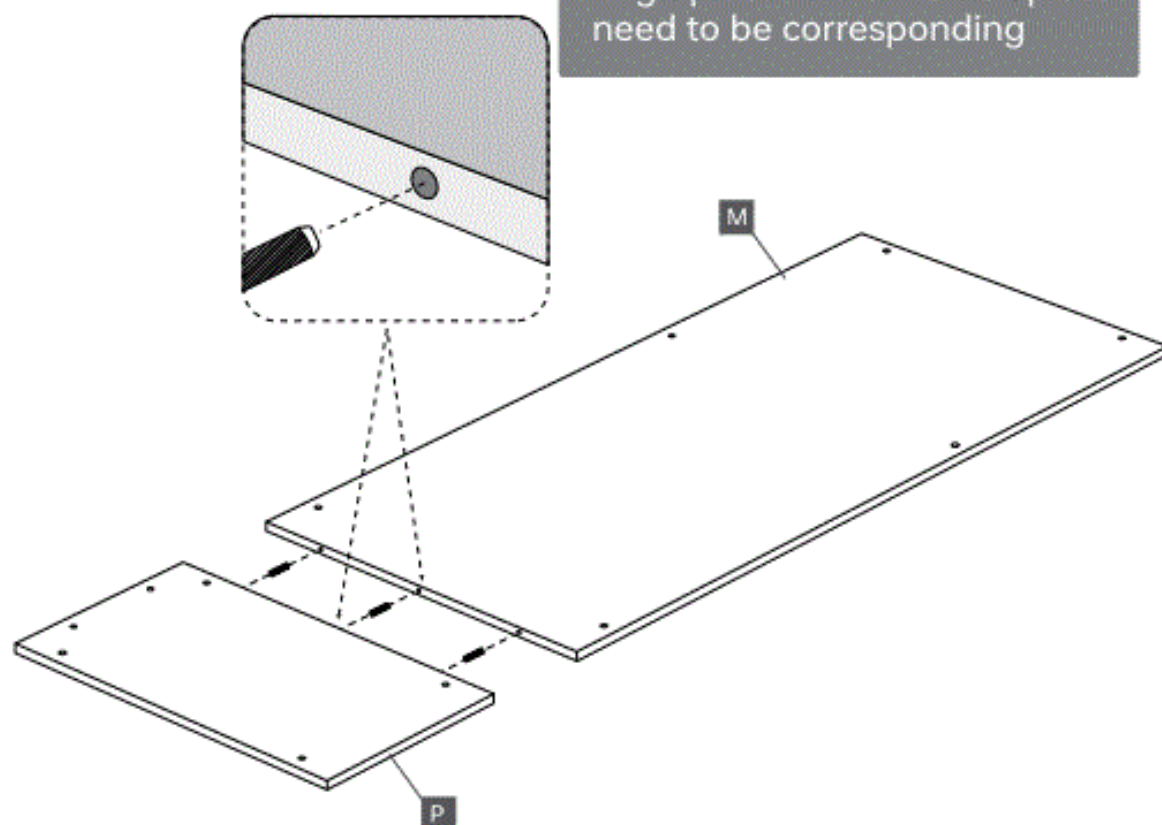

x2

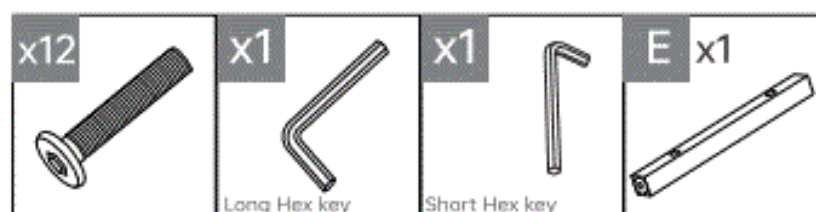

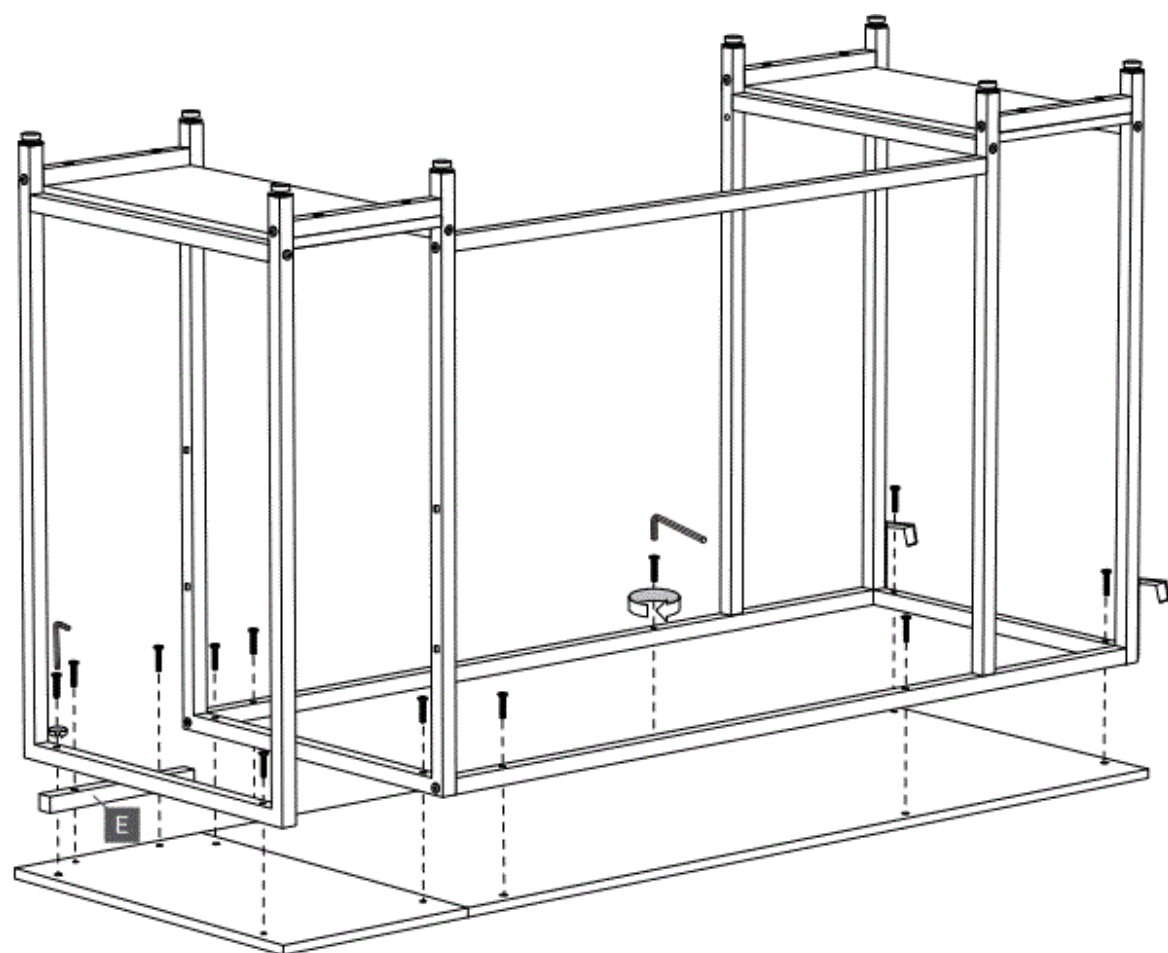

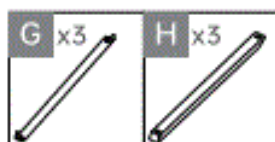

Note: The holes between the large plate and the small plate need to be corresponding

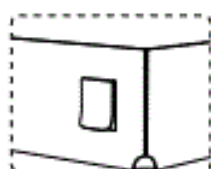

The small board is on the left side

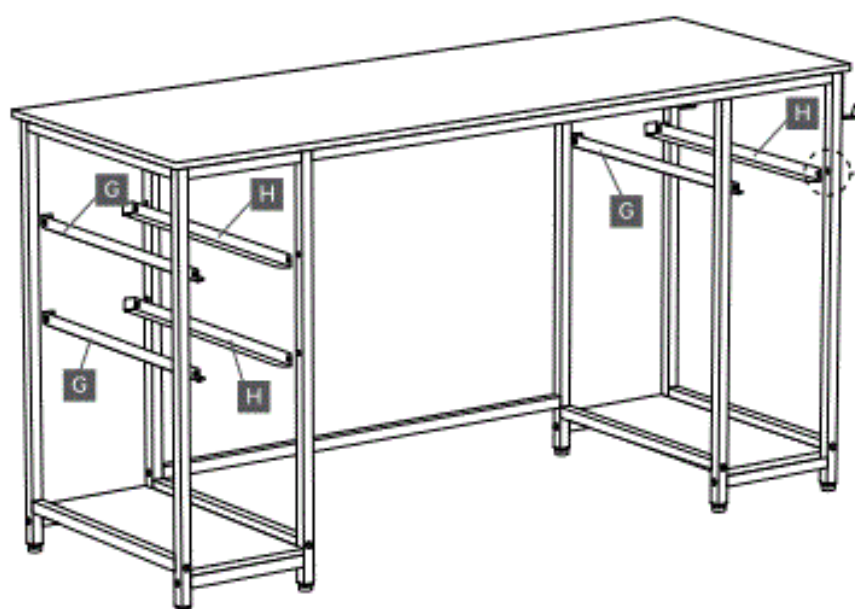

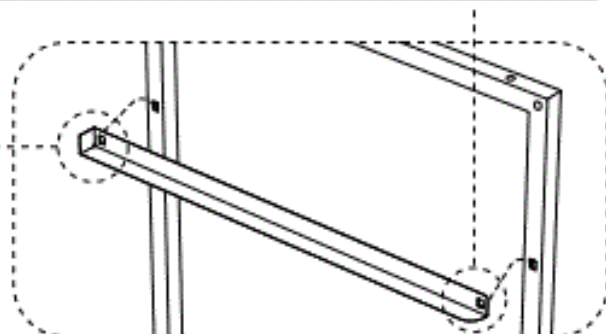

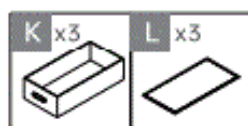

Pay attention to the orientation of the slide track, with the curved opening facing forward and the slide track stopper at the rear.

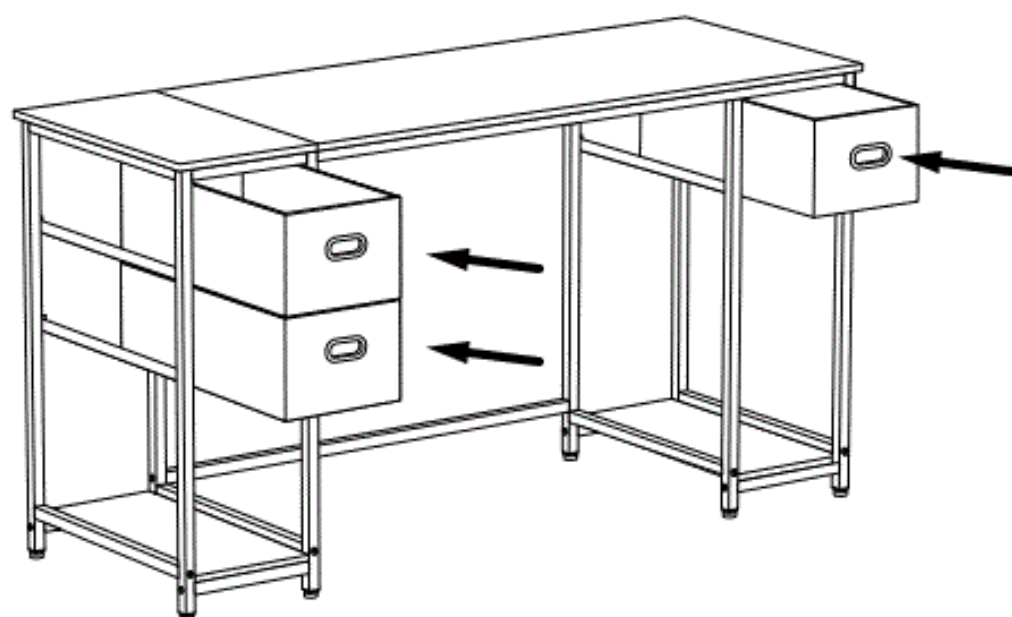

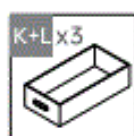

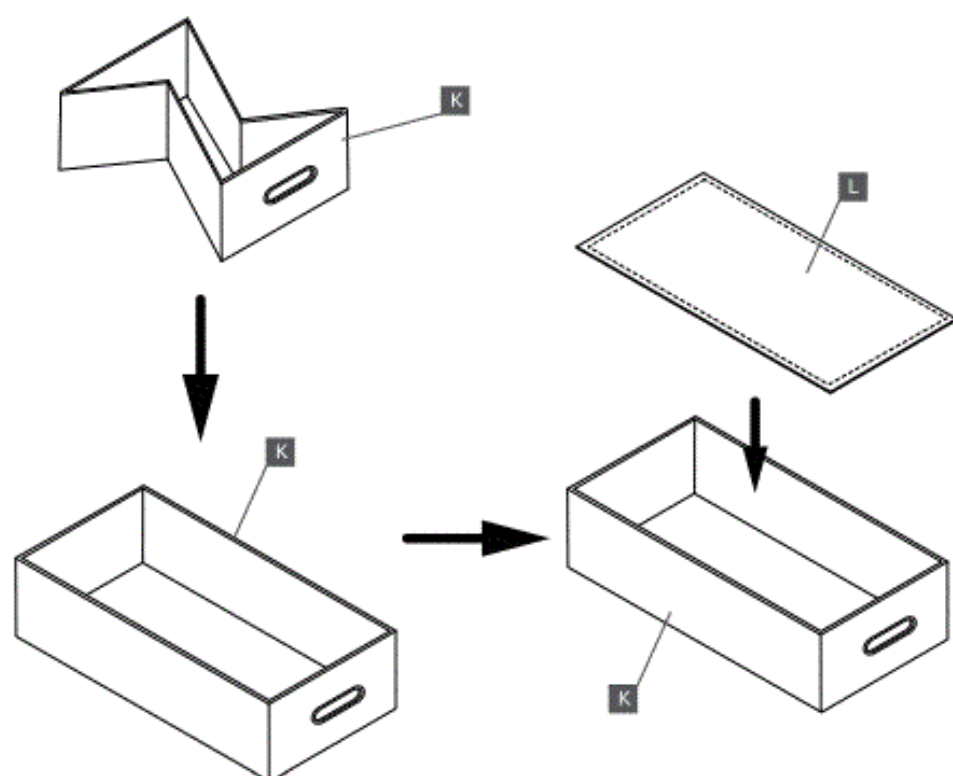

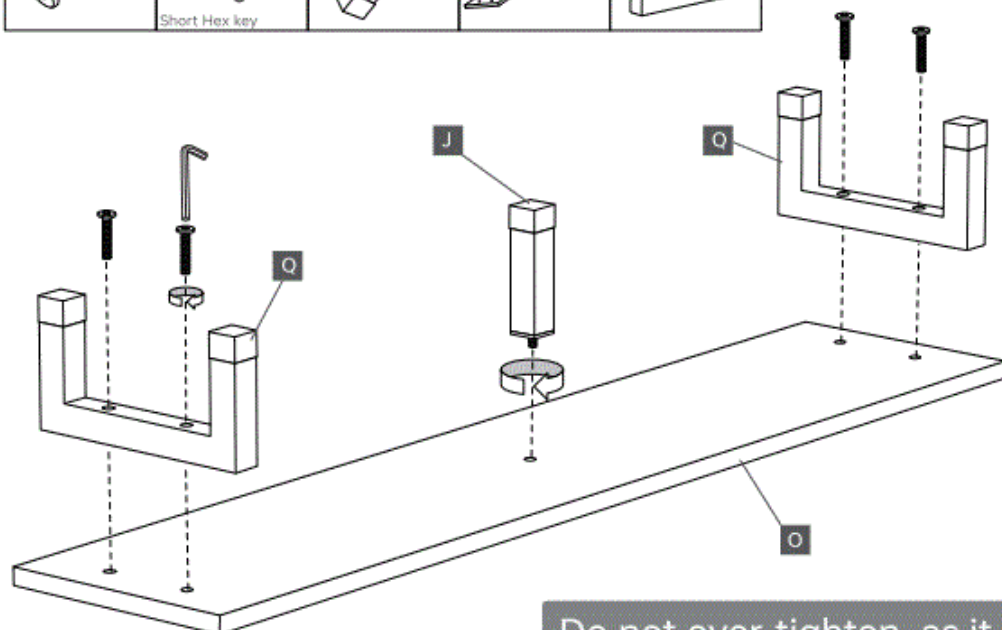

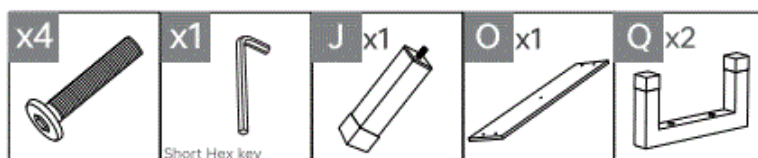

If it sinks in, pry it up

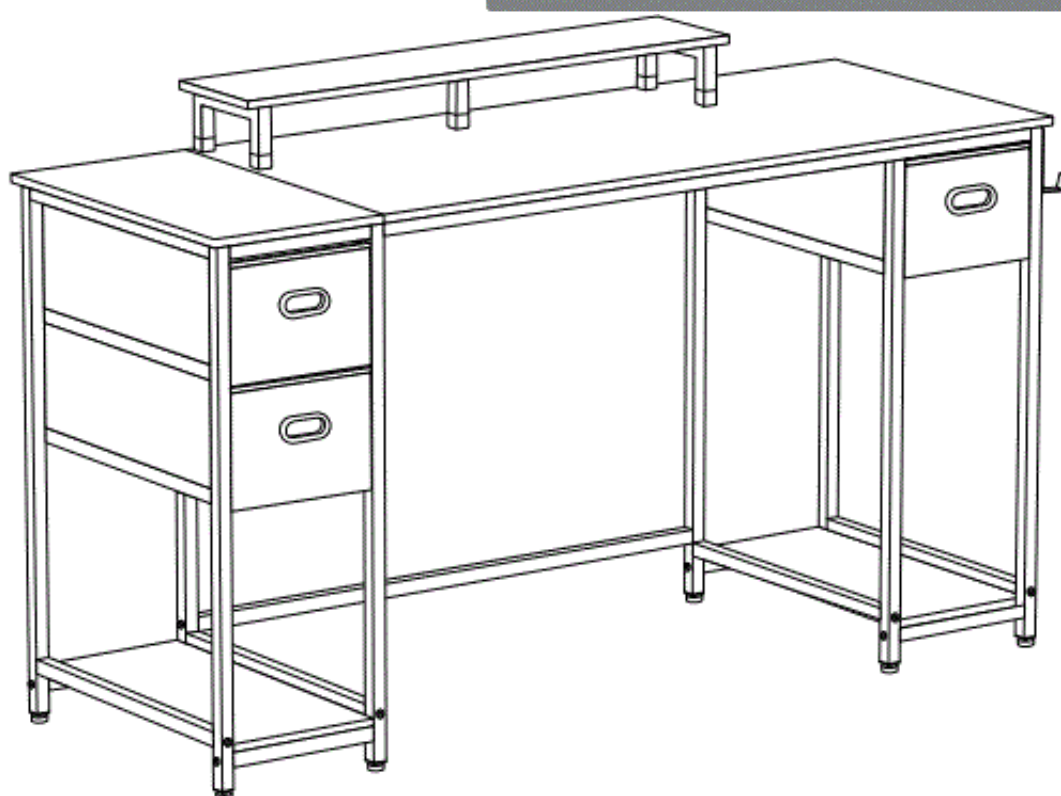

x3

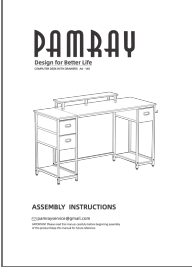

Do not over-tighten, as it may cause damage to the components.
