**/// PARKSIDE®**

**PARKSIDE IAN 453237\_2310 Multi-Purpose Table Set**

## Specifications

- **Set-up dimensions** per section: approx. 100 x 60 cm
- **Table heights:** 73 cm; 80cm; 87cm; 94cm selectable
- **Load capacity** per table: max. 35 kg

## Product Information

The multi-function table set has three table elements to use individually or together. It further has four different table heights. The multi-function Tables are multifunctional, eg for wallpapering, parties, etc. They are easy to transport and fold for space-saving storage. This product is only intended for private household use, not for commercial purposes.

## Parts Description

- 1 Spring bolt
- 2 Strut
- 3 Tabletop
- 4 Carrying handle
- 5 Table leg
- 6 Connection plate
- 7 Plastic end caps
- 8 Connection bracket

## Safety Notices

**RISK OF FATAL INJURY AND ACCIDENT HAZARD FOR TODDLERS AND SMALL CHILDREN!** Never leave children unsupervised with the packaging material. Suffocation hazard. The load on the product must not exceed 35 kg. Failure to observe this advice may result in injury and/or product damage. Only use the product in areas protected from rain. Do not use the product as a work platform. Do not fold the tables at the highest height setting. Verify the spring bolts are firmly in place before every use. Dispose of defective, no longer usable tables according to local regulations.

## Installation

1. First, unfold the table legs in pairs (see Fig. A).
2. Select the desired table height and lock it in place with the spring bolts (see Fig. B).

## FAQ

### **Q: What is the maximum load capacity of each table?**

**A:** The maximum load capacity per table is 35 kg.

### **Q: Can the tables be used outdoors?**

**A:** It is recommended to only use the product in areas protected from rain.

### **Q: Can this product be used for commercial purposes?**

**A:** No, this product is intended for private household use only.

## Introduction

- We congratulate you on the purchase of your new product. You have chosen a high-quality product.
- Familiarise yourself with the product before using it for the first time.
- In addition, please carefully refer to the operating instructions and the safety advice below.
- Only use the product as instructed and only for the indicated field of application. Keep these instructions in a safe place.
- If you pass the product on to anyone else, please ensure that you also pass on all the documentation with it.

## Intended use

- The multi-function table set has three table elements to use individually or together. It further has four different table heights.
- The multi-function Tables are multifunctional, e.g. for wallpapering, parties, etc. They are easy to transport and fold for space-saving storage.
- This product is only intended for private household use, not for commercial purposes.

## Parts description

After unpacking, verify the parts are complete and check the condition of the product.

1. Spring bolt
2. Strut
3. Tabletop
4. Carrying handle
5. Table leg
6. Connection plate

- 7. Plastic end caps
- 8. Connection bracket
- 9. Screw
- 10. Locking clip
- 11. Locking plug

## Technical data

### Set-up dimensions

- **per section:** approx. 100 x 60 cm
- **Table heights:** 73 cm; 80 cm; 87 cm; 94 cm selectable

### Load Capacity

- **per table:** max. 35 kg

### Safety notices

- **WARNING RISK OF FATAL INJURY AND ACCIDENT HAZARD FOR TODDLERS AND SMALL CHILDREN!**  
Never leave children unsupervised with the packaging material. Suffocation hazard.
- **DANGER TO LIFE!** During installation keep children away from the area in which you are working.
- Make sure that the product is only assembled by competent persons.
- Be sure to place the product on a solid surface at floor level.
- **CAUTION!** Do not leave children unattended!
- The product is not a climbing frame or toy! Do not allow persons, particularly children, to climb onto or lean against the product.
- Otherwise, the load on the product may become unbalanced and cause it to tip over. This may result in injury

and/or damage.

- Store the product in a dry location, out of the reach of children.
- **CAUTION!** Do not lift or move the product when weighed down in any way.

-  The load on the product must not exceed 35 kg. Failure to observe this advice may result in injury and/or product damage.
- Only use the product in areas protected from rain.
- Do not use the product as a work platform.
- Do not fold the tables at the highest height setting.
- Verify the spring bolts 1 are firmly in place before every use.
- Dispose of defective, no longer usable tables according the local regulations.

## Installation

(Fig. A–F)

1. First, unfold the table legs 5 in pairs (see Fig. A).
2. Select the desired table height and lock it in place with the spring bolts 1 (see Fig. B).
3. Pull the hinges upwards until flat and turn the table over (see Fig. C). Slide the locking clips 10 over the hinges to ensure they are stable.

## Connecting the tables together

**A row of tables can be connected with the below method (see Fig. D):**

1. Remove the plastic end caps 7 at the connection side for the first table.
2. On the second table, remove the plastic end caps 7, insert the connection plate 6 into the slot, and tighten with the screw 9.
  - Then insert the other side of connection plate 6 into the first table.
3. Secure the connection by pressing the plastic locking plug 11 into the hole.
4. Repeat the above process if you want to connect more tables.
  - **Remark:** Tables in different angle combinations can also be connected. The connection brackets 8 can

be clipped under two tables (see Fig. E).

- **Remark:** There are many possibilities to combine the tables (see Fig. F). Please note it may be not possible to use the connection brackets 8 in some cases.

## Cleaning and care

- To remove more stubborn dirt, use a damp cloth and, if necessary, a mild cleaning agent.

## Disposal

- The packaging is made entirely of recyclable materials, which you may dispose of at local recycling facilities
- Contact your local refuse disposal authority for more details on how to dispose of your worn-out product.

- The products incl. accessories and packaging materials are recyclable and are subject to extended producer responsibility.
- Dispose of them separately, following the illustrated Info-tri (sorting information), for better waste treatment. The Triman logo is valid in France only.

## Warranty

- The product has been manufactured to strict quality guidelines and meticulously examined before delivery. In the event of material or manufacturing defects, you have legal rights against the retailer of this product.
- Your legal rights are not limited in any way by our warranty detailed below.
- The warranty for this product is 3 years from the date of purchase. The warranty period begins on the date of purchase. Keep the original sales receipt in a safe location as this document is required as proof of purchase.
- Any damage or defects already present at the time of purchase must be reported without delay after unpacking the product.
- Should the product show any fault in materials or manufacture within 3 years from the date of purchase, we will repair or replace it – at our choice – free of charge to you.
- The warranty period is not extended as a result of a claim being granted. This also applies to replaced and repaired parts.
- This warranty becomes void if the product has been damaged, used, or maintained improperly.
- The warranty covers material or manufacturing defects.
- This warranty does not cover product parts subject to normal wear and tear, thus considered consumables (e.g. batteries, rechargeable batteries, tubes, cartridges), nor damage to fragile parts, e.g. switches or glass parts.

## Warranty claim procedure

- To ensure the quick processing of your case, please follow the following instructions:
- Please have the till receipt and the item number (IAN 453237\_2310) available as proof of purchase.
- You will find the item number on the rating plate, an engraving on the front page of the instructions for use (bottom left), or a sticker on the rear or bottom of the product.
- If functional or other defects occur, please contact the service department listed either by telephone or by e-mail.

- You can return a defective product to us free of charge to the service address that will be provided to you. Ensure that you enclose the proof of purchase (till receipt) and information about what the defect is and when it occurred.
