- Fax: +49 (0) 2903 / 976 99 29
- Email: info@pce-instruments.com
- Website: <http://www.pce-instruments.com>

Declaration of Conformity:

- EU Directive: 2014/30/EU
- Standards: EN 61326-1:2013
- Date: 05.06.2019

Product Usage Instructions

1. Ensure that the grain moisture meter is properly charged or has fresh batteries.
2. Switch on the grain moisture meter using the power button.
3. Open the grain moisture meter and place a sample of grain into the provided compartment.
4. Close the grain moisture meter securely.
5. Wait for the grain moisture meter to analyze the sample and display the moisture content on the screen.
6. Record the moisture content reading for further analysis or documentation.
7. Repeat the process for additional samples if necessary.
8. After usage, switch off the grain moisture meter and store it in a safe place.
