GET STARTED WITH SOLACE

FOR WIRELESS TATTOOING

1. **To turn on the Solice without the jumpstart feature**, long-press the power button  on the attached PowerPack battery. Your machine will start with previously adjusted voltage.

2. **To turn on the Solice with the jumpstart feature**, quickly double press the power button .

A lightning bolt icon  will appear on your display.

3. **To start or pause your machine**, press the power button  whenever you want.

A pedal icon  will appear on your display when your machine is working.

Tattoo for 10+ hours on a single charge; the PowerPack battery will automatically shut off after 5 minutes of inactivity.

4. **When you're ready to recharge**, connect your PowerPack to a USB-C charging cable. You will also see your battery capacity.

FOR TATTOOING WITH AN RCA CONNECTION

1. **Remove the PowerPack battery**.

2. **Attach the magnetic RCA module** (included with your Solace machine).

3. **Plug your Solice Pen** into your favorite power supply with the included RCA cable.

WARRANTY INFORMATION

If you experience any technical issues or your Solice Modular Machine requires repairs, please contact our customer service team at 410-712-0145. After our customer service team provides you with a return authorization, you can download and fill out our **Peak Repair Order Form**:

<https://bit.ly/3rxhFlm>

Mail your completed repair order form, machine, and invoice as proof of purchase to 7410 Coca-Cola Dr. STE 108, Hanover, MD 21076. You can also direct any questions or concerns regarding issues with your Solice Modular Machine to info@peakneedles.com.

If you purchased your Solice Modular Machine less than a year ago, we will replace it with a brand new model. If your machine is older than a year, it is unfortunately no longer protected under our one-year warranty.
