pebblebee PB-621-B Card Thin Rechargeable Item Finder Ultimate Tracker for Wallets or Narrow Spaces

Product Information

Pebblebee Card

The Pebblebee Card is a Bluetooth tracking device that allows you to keep track of your valuables using the Apple Find My network or the Pebblebee App. With a rechargeable battery, splash resistance, and a loud melody, you can easily locate your belongings with peace of mind.

Features

- Rechargeable battery
- Splash resistant
- Loud melody for easy location tracking
- Works with Apple Find My network
- Left Behind™ Alert

How to Use Pebblebee Card

1. Charge your Card:
 - Plug USB end into a power adapter or a USB port.
 - Place the magnetic charger on top of the pins on the back of the card.
 - The LEDs on the Card will pulsate when charging and illuminate a solid light when it's fully charged.
2. Set up Card in the Find My app:
 - Double-press the Pebblebee logo on the front of the Card. You'll hear a confirmation sound.
 - Open the Find My app on your iPhone or iPad and tap Items.
 - Next tap + Add New Item and tap Other Supported Item. Follow the instructions displayed in the app.

3. Works with Pebblebee App:

- If you chose the Pebblebee App to claim your Card, download the free Pebblebee App for your Android or iOS phone and follow the in-app instructions.
- Make sure that your phone's Bluetooth is enabled and that you've shared location permissions with the Pebblebee app.
- Allow the Pebblebee app to always access your location. This is needed to allow the app to locate your valuables at all times.
- Place the Card in your wallet or any other thing.

4. Factory resetting your Card:

- If you want to give your Card to a new owner to claim it, or if you would like to switch between the Apple Find My network and the Pebblebee network you will need to factory reset your Card with the following instructions:
- Press and hold the Pebblebee logo on the Card for 5 seconds until you hear a sound. Then release the button.
- The LED on the Card will flash blue twice, indicating that it has been reset.

In conclusion, the Pebblebee Card is an excellent tracking device for people who want to keep track of their valuables with ease. Whether you use the Apple Find My network or the Pebblebee App, you can be sure that your belongings are safe and secure.

WELCOME TO THE PEBBLEBEE FAMILY

Thanks for choosing Pebblebee. Now that you've received your Card you can join millions of users worldwide in tracking your valuables. We hope that you will enjoy the peace of mind that the Pebblebee Card brings.

pebblebee CARD

- Works with Apple Find My™
- Rechargeable battery
- Splash resistant
- Loud melody
- Track location
- Left Behind™ Alert

Charge your Card

Your new Card is rechargeable with the included magnetic charger. Please ensure your Card is fully charged before first use.

How to charge your Pebblebee Card

1. Plug USB end into a power adapter or a USB port, such as your laptop.
2. Place the magnetic charger on top of the pins on the back of the card (see picture below).
3. The LEDs on the Card will pulsate when charging and illuminate a solid light when it's fully charged.

Note: The battery cannot be removed. The Card includes a rechargeable battery that is not replaceable. Opening or tampering with the device voids warranty.

Works with Apple Find My

Pebblebee Card works with the Apple Find My network. With hundreds of millions of Apple devices around the world, advanced end-to-end encryption, and industry leading security, the Find My network lets users easily locate their belongings in the Find My app with the peace of mind that their privacy is protected.

Pebblebee Card can be used with the Apple Find My network OR the Pebblebee App on Google Play® and App Store®. Using the Apple Find My network, prohibits the use of the Pebblebee App, and vice versa. You may not operate simultaneously on the Apple Find My network and Pebblebee network. In order to change networks, you must reset the device to factory settings.

Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its compliance with safety and regulatory standards.

Set up Card in the Find My app

To set up Card in the Find My app:

1. Double-press the Pebblebee logo on the front of the Card. You'll hear a confirmation sound.
2. Open the Find My app on your iPhone or iPad and tap "Items."
3. Next tap "+ Add New Item" and tap "Other Supported Item." Follow the instructions displayed in the app.

How to remove item from the Find My app

1. Navigate to the item page on the Find My app.
2. Scroll to the bottom.
3. Tap "Remove item", then "Remove".

Works with Pebblebee App

1. **PLEASE NOTE:** If you chose the Pebblebee App to claim your Card, you will not have access to the Apple Find My network.
2. Download the free Pebblebee App for your Android or iOS phone and follow the in-app instructions.
3. Make sure that your phone's Bluetooth is enabled and that you've shared location permissions with the Pebblebee app. If you have any more questions, check out our setup guide on help.pebblebee.com.
4. Allow the Pebblebee app to always access your location. This is needed to allow the app to locate your valuables at all time. In case you lose your items, the App will notify you of the last known location.
5. Place the Card in your wallet or any other thing.

Factory resetting your Card

If you want to give your Card to a new owner to claim it, or if you would like to switch between the Apple Find My network and the Pebblebee network you will need to factory reset your Card with the following instructions:

1. Locate the Pebblebee logo on the front of the Card.
2. Triple press the logo (3x) then press and hold for 10 seconds. You'll hear a confirmation sound.

This will reset the device and allow you to reclaim it with the Apple Find My network OR the Pebblebee App.

Use and care

- Please ensure proper operations of your Card device.

Water Resistance

- Your Card is splash resistant. This means that it's safe for water splashes. To preserve your device's life, we do not recommend submerging it in water.

Environmental Requirements

- Keep the Card stored and operating in temperatures listed below. Avoid freezing weather and extremely hot temperatures to ensure best functionality.

1. **Operating temp:** 5 °F to 11 °F (-15 °C to 43 °C)
2. **Storage temp:** -1+ °F to 130 °F (-23 °C to 54 °C)

- Make sure that device is dry before charging it. Charging the device when it's wet voids warranty.

Limited warranty

Pebblebee offers a 1 year limited warranty against product defects, effective from the time of delivery. Product defects do not include those resulting from accident, water damage, product modification, or failure to follow instructions for use. If Pebblebee deems the product defective, Pebblebee will replace the device upon receipt.

Please contact support@pebblebee.com if you believe your device to be defective. Our support team can identify and resolve most issues and will be happy to provide exchange directions for devices that fall within the warranty.

Safe electronical disposal

When your device reaches the end of their useful life, please dispose of at your local e-waste center to be recycled and properly discarded, ensuring protection of our environment. Contact your local authorities to find a reputable and certified e-waste center near you.
