United States

1. Open the Pentair Home app icon on your mobile device.
2. From the Login page, tap Sign Up to create a new account. If you have already registered: Enter your Email address and password.
3. On the SIGN UP page enter your Email address and a strong Password. All Green check marks meets the strong password requirements (! # \$ & ' () * + comma ? : = ? @ [] space are acceptable password special characters).
4. Tap the check box next to "I have read the Privacy Policy and agree to the Terms and Services".
5. Tap CREATE AN ACCOUNT. Tap SEND VERIFICATION to send a verification email to your registered email account. You will receive an email from no-reply@verificationemail.com. Select Verify Email Address to confirm your account. A message is displayed indicating your registration has been confirmed.

Tap Login (top right of screen).

STEP 3: Create your Account Profile

1. CREATE PROFILE: Enter your name, country, primary address, city, phone number. Add your location on the map shown. Note: If needed, you can enter multiple pool, spas, map locations.
2. Select STANDARD or METRIC UNITS. Tap SAVE to save your account profile information.
3. From the ACCOUNT Dashboard screen. Tap Add a Device to add your IntelliSync device. Tap Home (lower left icon) to return to the Dashboard.

STEP 4: Connecting your Mobile Device to your home network

Dashboard

1. Dashboard: After login: Tap Add a Device (water drop icon) then tap IntelliSync to add this device to your

mobile device.

- IntelliSync™ unit: Slide the top cover upward. Press and hold the MODE button for 3-seconds until the CONNECTION LED is blinking. IntelliSync is ready for Bluetooth® wireless technology paring.

- Turn on Bluetooth on your mobile device: On the Add a Device page, tap IntelliSync.
The Installation (IntelliSync) page displays. Tap CONTINUE. Bluetooth Paring page displays.
- Tap CONTINUE. SCANNING... is displayed. Tap PNRXXXXXX (Device ID identifies IntelliSync).
Tap CONTINUE. IntelliSync (device) is now paired with your mobile device.
- Connect to WiFi 2.4 GHz Router: Tap on the name (SSID) of your home network and enter the password. Tap CONTINUE to connect to your home network. “WiFi Data Sent” is displayed. Enter your home network password, then tap CONNECT. Installation Completed displays. Tap CONTINUE.
The Profile page displays. Tap the location of your pool then tap SAVE.
- Tap CONTINUE when “Installation Completed” is displayed. The IntelliSync Control and Monitoring
The system profile and location page are displayed. IntelliSync: Select the street Address where your IntelliSync Control and Monitoring System are located. You can also add another location on the displayed map. MY DEVICES page displays. Continue to Add a Device.

STEP 5: Add a Device

- My Devices: Tap the Product Device name (IntelliSync) to display the Add Devices page.
- Add Devices: Tap the device name to connect the selected device (IntelliFlo®, SuperFlo® VS pumps).
Supported Devices (see Installation Guide for complete list): For one body of water, one IntelliSync supports two pumps (IntelliFlo and SuperFlo VS), and a water and air temperature sensor.

Dashboard Controls

Dashboard Home page. Displays installed devices. Tap Home from other pages to return to Dashboard.	My Devices: Display installed devices. Tap a device to access device settings.	Weekly event schedules.	A N
