Perixx PB-725 Wireless Keyboard

Product Usage Instructions

Pairing the Keyboard

1. Ensure the keyboard is turned on.
2. Press and hold the Connect Button for five seconds until the corresponding indicator light flashes rapidly.
3. Once pairing is complete, the indicator light will turn off, indicating successful pairing.
Charging and Battery Indicator

The Low Battery Indicator will alert you when the battery is running low. Make sure to replace the AAA batteries promptly.
Using Bluetooth Connectivity

You can connect the keyboard via Bluetooth 1 or Bluetooth 2. Follow the pairing instructions for your desired connection.
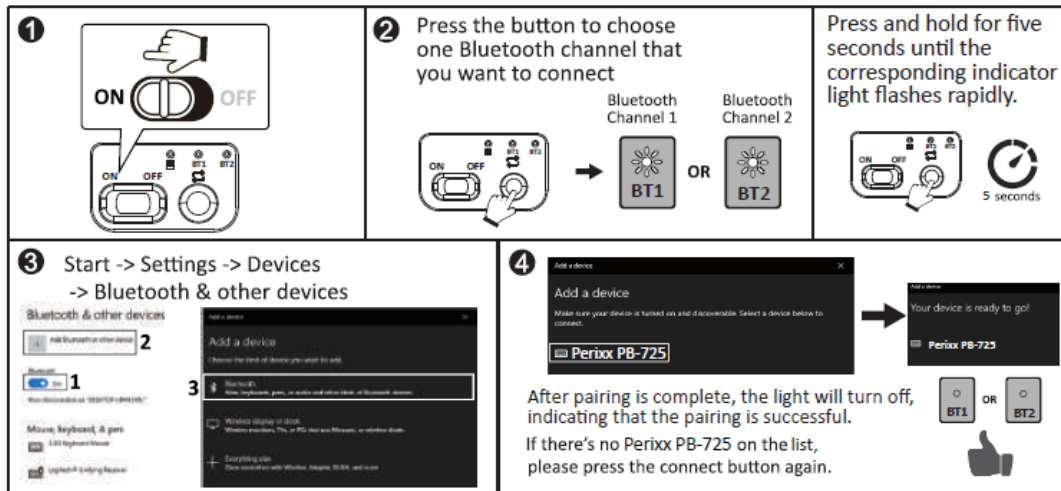

Product Illustration

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

NOTE 1:

This equipment has been tested and found to comply with the limits for a Class B digital device, under Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used by the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to

correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

NOTE 2:

Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC ID: Z2G-PERIBOARD725
