PERIDUO-714 Wireless Standard Keyboard and Mouse

User Manual

PERIDUO-714

FCC Warning

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE 4:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment

generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause

harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off

and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver,
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help.

NOTE 2:

Any changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Caution

- The manufacturer and re-resellers are not responsible for any technical malfunctions, damage, or personal injury incurred by
 - » Any attempt to dismantle, change or modify the product in any manner
 - » Malfunction or damage due to misuse or improper alteration or repair.
 - » Malfunction or damage caused by external influence such as falling

- » Malfunction or damage is caused by a fire, salt, gas, earthquake, lightning, wind, water, or other natural calamities, or abnormal voltage.
- » Malfunction or damage is caused by other devices connected to the products.
- » Malfunction or damage is caused by high temperature, humid, greasy, dusty and hazardous environment.
- You are cautioned that changes or modifications not expressly approved by Perixx Computer GmbH could void your authority to operate the equipment.
