Storage temperature	0- 95%RH	
Operating humidity	20- 80%RH	
Storage humidity	0- 95%RH	
Giftbox Dimensions	220mm x195mm x265mm(LxWxH)	
Package Dimensions	465*405*550mm(8pcs/carton)	
Net Weight	1.9kg	
Certification	CE; FCC; RoHS;	
Warranty	One year	

Product Usage Instructions

- **Step 1: Assemble the Feeder**

  Follow the instructions provided in the Quick Start Guide to assemble the feeder.
- **Step 2: Install the Mobile App**

  Search for and download the "WiFi Pet Feeder" app from the App Store or Google Play Store. Once downloaded, open the app and create an account. Then, follow the in-app instructions to connect your feeder to your Wi-Fi network.
- **Step 3: Set Up Your Feeding Schedule**

  Using the app, you can set up a feeding schedule for your pet.

  You can also manually feed your pet using the app at any time.
- **Step 4: Monitor and Talk to Your Pet**

  You can use the app to monitor your pet via the camera, and you can also talk to your pet using the one-way audio feature.
- **Step 5: Maintain Your Feeder**

Regularly clean the feeder's hopper and bowl to ensure proper functioning.

- **Step 6: Power the Feeder**

  The feeder can be powered through an adapter or with AA batteries (not included).

  With these steps, you should be able to use your QQ005 WiFi Pet Feeder with Camera to feed and monitor your pet from anywhere, anytime!
