## **Safety instructions and warnings**

### **1. Mechanical Safety**

- Protective gloves are recommended during assembly.
- Do not stand or lean on the case.
- Excessive weight may affect the structure of the case.

### **2. Ventilation and Overheating Prevention**

- Do not cover ventilation slots.
- Regularly clean fans and filters to prevent overheating.

### **3. Electrical Safety**

- Only use compatible components.
- Ensure proper grounding to avoid static discharge.

### **4. Environmental Safety**

- Not suitable for children under 12 years of age and keep the case away from liquids and moisture.
- Handle the glass/acrylic of the case with care. Avoid improper loading and protect it from bumps or impacts to prevent damage.

For safe handling of the product, follow the instructions in this manual before the first use and keep it for future reference.
